

HAPPY 2026 GRANT UNION

2026 OFFICIAL PREDICTIONS FROM
THE MINING REPORTS

SOMEONE WILL ABSOLUTELY HIT A DEER

THIS IS GRANT COUNTY, OREGON AND IT WILL LIKELY BE MRS.
SMITH.
2026 WILL NOT BREAK THE STREAK.

MARIAH CAREY RETURNS TO HIBERNATION

AFTER CHRISTMAS, MARIAH SINKS BACK INTO THE GLITTERY SNOW LIKE A MYTHICAL
CREATURE. SHE WILL RE-EMERGE NEXT NOVEMBER WHISPERING
“IT’S TIIIME”

PHONE POLICY VANISHES(?)

MAYBE THE PHONE POLICY WILL BE DROPPED.
MAYBE IT WILL BE REWRITTEN.
MAYBE IT WILL BE PRINTED OUT, LAMINATED, TAPED TO 67 WALLS,
IGNORED, REWRITTEN AGAIN, AND THEN ARGUED ABOUT AT LEAST
THREE TIMES DURING ASSEMBLIES.
THE POSSIBILITIES ARE ENDLESS.
CONFUSION IS GUARANTEED.

POLITICS: CHAOS, PROBABLY

THERE WILL BE POLITICAL THINGS.
WE DON’T KNOW WHAT THEY ARE YET, BUT THEY WILL BE
HAPPENING.

STRANGER THINGS: THE FINAL EPISODE DROPS ON NEW YEAR'S EVE

PICTURE THIS...WE ARE ABSOLUTELY LOSING OUR MINDS BECAUSE THE FINAL EPISODE OF STRANGER THINGS JUST CAME OUT AND WE'RE ENTERING 2026 EMOTIONALLY DESTROYED. SO YES THE YEAR WILL BEGIN WITH CRYING, PANIC, DENIAL, AND AT LEAST 12 EDITS OF STEVE HARRINGTON ON TIKTOK.

BRADLEE'S SHREK 5 FILM: A CULTURAL RESET

IF BRADLEE PULLS THROUGH AND RELEASES HIS LEGENDARY SHREK 5 FILM IN 2026, THE WORLD WILL HEAL INSTANTLY. GRADES WILL RISE.

GAS PRICES WILL FALL.

THE FROGS BEHIND THE SCHOOL WILL SING IN HARMONY.

SHREK WILL BRING PEACE.

MAKE US PROUD, BRADLEE.

MANIFESTING MS.WILSON'S RAISE

IF MS. WILSON DOES NOT GET A RAISE IN 2026, WE WILL PERSONALLY FORM A PROTEST GROUP.

WE'LL MAKE SIGNS.

WE'LL CHANT THINGS.

WE'LL BE DRAMATIC ABOUT IT.

THIS IS THE HILL WE WILL DIE ON.

AI TAKES OVER THE WORLD (BUT LIKE... SOFTLY)

THE PRINTERS BECOME SELF-AWARE AND HEATHER WILL ABSOLUTELY FREAK OUT.

THE SMARTBOARDS GET ATTITUDES, MAKING MR. JONES THE SMARTEST TEACHER IN THE BUILDING SINCE HE DOESN'T HAVE ONE. WAIT, HE'S ALREADY THE SMARTEST TEACHER IN THE BUILDING.

THE CHROMEBOOKS DEVELOP DEPRESSION, WHICH—IRONICALLY—WILL MAKE ALL THE STUDENTS VERY HAPPY.

MR. DREW WILL FINALLY ADMIT THAT AI IS, IN FACT, A REAL THING... AND ACTUALLY USE IT.

MRS. BLEVINS WILL ADMIT SHE'S BEEN A ROBOT ALL ALONG, WHICH FINALLY EXPLAINS WHY HER SPREADSHEETS ARE SO LEGIT.

AND MR. MILLER WILL CONFESS HE DOESN'T EVEN KNOW WHAT AI STANDS FOR.

IN CONCLUSION...

**2026 WILL BE A
ROLLERCOASTER OF
EMOTIONS, RUMORS, SHREK
MOVIES, AND DEER
INCIDENTS**

**STAY CHAOTIC,
PROSPECTORS**

**HAPPY NEW YEAR
STUDENT BODY & STAFF**
