

Advanced Learning Program

at Perry Tipler Middle School

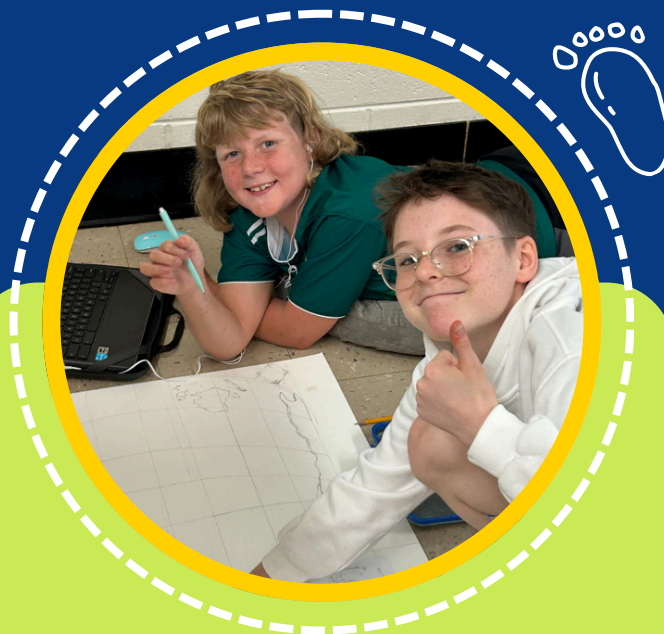

PARENT TESTIMONIALS

"ALPs is an ideal environment for students that are fast learners and willing to pursue things farther than most students would."

"My child is able to work with peers of similar ability and drive."

"I feel so fortunate that my child has the opportunity to reach his potential in such a safe, positive, and dynamic learning environment."

"Our daughter is thriving academically in an academically challenging and supportive environment in which learning and exploration is celebrated and embraced."

Open House

In January/February, we hold an open house for families to learn about our program, ask questions, and allow students to see what it is like in a classroom.

Apply

Send student application to Perry Tipler Middle School Office by February 13th. By the end of April, families will receive notice about acceptance.

OUR PROGRAM

WHY?

Students are excited about learning and benefit from:

- A challenging study of math, science, literacy and social studies
- An unique opportunity to explore and learn beyond the standard curriculum
- Lessons that explore a real-world look at humanity and the issues that affect us today
- A stimulating environment where social conformity and peer pressure are lessened in favor of celebrating and encouraging healthy differences
- A flexible, responsive teaching style

HOW?

Students must apply for enrollment.

- Completed applications must be submitted by February 13th, 2026. Applications are not considered if received after this date.
- Once the application deadline has passed, school officials review the number of qualifying candidates to determine grade-level configurations.
- A waiting list is formed only if a lottery for placement is needed (more applications received than placements available in a classroom)

> WHAT?

The Advanced Learning Program is...

- An exciting and unique program for advanced learners in grades four through eight
- A student-centered learning environment that encourages in-depth exploration
- A challenging environment for students with appropriate pacing for individual needs

> WHO?

An Advanced Learner is one who is...

- Self-motivated
- Proficient or Advanced in the core content areas
- Possess an advanced learner's skill set (collaborative, responsible, intellectually curious)

WHERE?

The Advanced Learning Program is an Oshkosh Area School District program housed inside Perry Tipler Middle School. ALPs students interact with their same-age peers for music, physical education, art and/or other elective courses as well as lunch, assemblies, and extracurricular activities. Our students utilize the facilities, support staff, and services of Perry Tipler Middle School in order to operate most efficiently and provide broad options for programming and services.
