II - Principal's Report	- Culture and Climate Survey results - Fiesta Bowl Recipients - Dec. 9th School Board update	SUSD Parent Survey – Data analyzed through questions most closely aligned to our school mission, and improvement goals. 25-26 survey doubled participation from last year. Data reflects our focus on K-5 student experience. All points indicated an average of 95%. Staff survey also reflected 90+% on staff survey. Our Hopi K-5 student belonging survey showed very high results with a 90% average across 6 questions. 3 Hopi recipients of Fiesta Bowl - A. Hanlon, K. Derkach, K. McClain - all to be honored at game on 12/26 and each receive $2,500 for the classroom. School board update very long and emotional – voted to close/repurpose Echo & Pima. Concierge is set up to support families and staff impacted.

V – Announcements/ Open Discussion	Staffing Dad's Club Golf Tournament Be Kind Assembly & Program – Dr. Emily James	Anne will continue to advocate for Hopi community. Actively engaged in enrollment (now centralized) and will continue to keep a pulse on enrollment patterns alongside both physical and capital resources/capacity of our campus. Staffing to current numbers will be out earlier this year, likely January. PTA helping to get the word out on early enrollment. Hopi PTA had a very successful golf tournament this week and shared some great feedback from families about the school and community. Will be sending out a wish list to teachers soon. Culture & Climate and Leadership expressed no concerns directly communicated about taking a vote to Site Council for Bee Kind Assembly. Board expressed concerns about cost for the full program ($5k) ,how to add more to their full plate/would anything be taken away; with the survey results so high is this needed; some teachers not big supporters of the program; can self-promote buddy benches; less assemblies were requested last year – adjusted to 1 per quarter; uncertain if we will have a social worker next year (this is funded through a grant that currently ends at the end of this school year). SUSD is reapplying for the grant for 26-27.
