Goldenview Middle School Choir collects a one-time **\$15 choir fee** from each student. This fee helps cover the cost of legally purchasing sheet music so every singer has their own copy to rehearse and perform from. With our growing program, this fee ensures we can continue providing quality music for all students.

Suns Café: \$25.00 per semester. Cost to cover drink supplies students get when working and cost of advertising/promotional materials.

Video Production & Announcements: \$25.00 per semester. The fee helps cover the cost of technology used in the classroom, such as SD cards, digital cameras, video cameras, tripods, microphones, and video editing software. Students are allowed to keep their SD cards at the end of the semester.
