Sports

- 7th graders are eligible to participate in sports:

What is 7th Grade like?

7th grade is very similar to 6th grade. You will be on TEAMS like in 6th grade. However, you will be in the **BLUE** House instead of in the RED house. In 7th grade you have more elective course options and you can participate in sports.

- Teams work similarly in 7th grade except that **Math is not on the Team.**
- PowerSchool randomly places students on Teams.

Where can I find this information?

7th grade scheduling information will be posted on the OHMS website:
