A Note from the Director

Welcome, friends and families,

There is a special kind of magic that fills the air this time of year — the gentle hush before a familiar carol, the warm glow of lights reflected in smiling faces, and the way a single melody can make everyone lean in together. Tonight, our choirs invite you to step into that feeling: moments of quiet joy, bright celebration, and the sweet comfort of traditions both old and newly made.

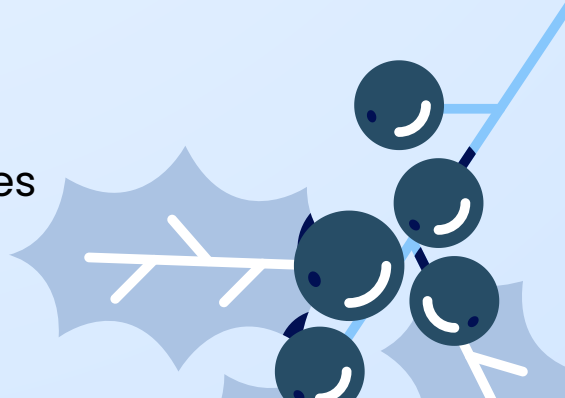

Nostalgic holiday variety programs, like classic Christmas specials, tap into shared memories, family traditions, and the timeless comforts of togetherness, joy, and light over darkness. They remind us of simpler moments and create a sense of security and emotional connection that brings back cherished childhood feelings — the very spirit we hope to capture in tonight's program.

We hope our "Home for the Holidays" concert brings you laughs, smiles, and that warm, cozy feeling so synonymous with the season. Our students have worked tirelessly to bring you these pieces: rehearsing with dedication, supporting one another through long afternoons, and giving their best to each phrase. Their commitment and care are what make this evening possible.

No matter which holiday you observe, we hope this concert brings you warmth, a little nostalgia, and time with the people who matter most. May the music spark a smile, awaken a fond memory, or inspire a new one to carry with you.

Thank you for joining us and for supporting the arts in our school. Enjoy the concert.

With heartfelt gratitude,
Noreen Hanson
