| ADMINISTRATIVE REGULATION | Learning |
| | |
| Animals – Therapy Dogs | EMG (R2) |

Requirements for registration:

- All dogs entering Keller ISD campuses used as Therapy Dogs shall meet the registration requirements to be members of Pet Partners' or Alliance of Therapy Dogs.
- As a part of the registration requirements, all pets will maintain current Rabies vaccinations.
- Additionally, all counselor/dog teams shall maintain the $1,000,000 primary liability insurance coverage provided through either organization.
- Once registration is complete, copies of the ID Badge shall be kept on file with the district's Counseling office.

Requirements for bringing on campus:

- Registered Therapy Dogs shall be brought on campus only with the consent of the building principal.
- Registered Therapy Dogs can be brought on campus only after notice has been sent to all parents regarding the nature and purpose of the Therapy Dog.
- Information about the Pet Partners' registration program, as well as the counselor/dog team's ID Badge, shall be made available to parents upon request.
- Appropriate accommodations shall be made to any student who may be allergic to dogs, or whose parents have expressed that they do not wish for their child to interact with therapy dogs.
