6. Parents/guardians of continuing pupils are required to reserve places for the upcoming academic year by 30th January 2026. Places must be reserved during the period stipulated with the amount of €1,000 (Reservation Fee). This amount will be deducted from the total amount of €3,500 which is payable on registration for the upcoming academic year (see note 2 above).
7. The cost for the school uniform, the books (excluding the ones provided for free by the Cyprus Ministry of Education, Sport and Youth), the school transportation and the participation in the extra-curricular activities, such as competitions, conferences, etc. is not included in this pricelist. More information regarding these costs can be obtained from the school reception.
8. ^{*2} Optional Extended Day Programme:
 - I. Academic/Homework Support: In Years 1-3 the subjects taught are Mathematics, Science, English and Greek/Greek as a Foreign Language and pupils must follow all four. Hence the fee for this package is €1,125 p.a. In Years 4-6 pupils may follow any of their major subjects and the fee is adjusted according to the number of subjects chosen.
 - II. Afternoon Activities – first session: It can be chosen together with the second session.
 - III. Afternoon Activities – second session: It can be chosen either with Academic/Homework Support or with the first session.
9. ^{*3} Excursions: The excursions charge relates to the transportation cost only. Any other related costs (e.g. entrance fee, food) are payable separately.
10. The fee for the external examinations, other than GL Assessment, depends on the subject/level/examination body and is charged separately.
11. Fees can be settled via debit/credit card, JCC Smart, wire transfers, monthly instalments by debit/credit card or standing order.
12. Tuition and other fees are reviewed annually. Any possible increment on the Tuition Fees and the Registration Fee has a cap of 8% on the fees of each Year for an academic year. For continuing and new pupils in Years 4, 5 and 6 the cap is 5%.
13. Reservation Fee (for continuing and new pupils), Registration Fee, Tuition Fees, Parents/Guardians Association subscription, IB DP School Administration Fee, GL Assessment, Excursions, Lab Fees and Athletic Section Fee are not refundable or transferable under any circumstances as they guarantee (represent a deposit) a pupil’s attendance at school for at least one academic year. Hence, this is not simply an advance fee payment.
14. The inability to continue with school lessons, for whatever reason, does not exempt the parent/guardian/pupil from the obligation to pay the school fees for the whole academic year. Any balance of fees due upon the departure of a pupil from the school, irrespective of the date of departure, must be paid in full. In the event that fees of a pupil were paid in full and the pupil ceases to attend the school, no refund is applicable. The departure of any pupil in no way minimizes the school’s running costs.
15. The school has the right to withdraw scholarships, monetary prizes or discounts in case the fees are not paid by the applicable instalment deadline.
16. The Teachers Council has the right to withdraw scholarships, monetary prizes or discounts in case of serious disciplinary incident or disciplinary infringement.
17. For those pupils whose fees are met partially or in total by the Cyprus Government (such as Maronites, Armenians, Latins, repatriated Cypriots, Turkish-Cypriots and so on), it is the obligation of the parents/guardians/pupils to settle the school fees according to the applicable deadlines irrespective of when the subsidy is received from the Government.
18. Enrolment in the subsequent academic year will be accepted only once the due fees and other financial obligations have been settled.
19. In accordance with current legislation (The Prevention and Combating of Money Laundering Act of 2007 (188(I)/2007), the school is not permitted to accept cash payments exceeding €10,000 per family, per academic year, regardless of the number of children enrolled. This applies to all financial transactions between the school and families, such as tuition and other fees, activities, external examinations, excursions and books (with the exception of the school canteen).
