- Reservation Fee (for continuing and new pupils), Registration Fee, Tuition Fees, Parents/Guardians Association subscription, GL Assessment and Excursions are not refundable or transferable under any circumstances as they guarantee (represent a deposit) a pupil's attendance at school for at least one academic year. Hence, this is not simply an advance fee payment.
- The inability to continue with school lessons, for whatever reason, does not exempt the parent/guardian from the obligation to pay the school fees for the whole academic year. Any balance of fees due upon the departure of a pupil from the school, irrespective of the date of the departure, must be paid in full. In the event that fees of a pupil were paid in full and the pupil ceases to attend the school, no refund is applicable. The departure of any pupil in no way minimizes the school's running costs.

- The Disciplinary Committee has the right to recommend the withdrawal of scholarships, monetary prizes and/or discounts in case of serious disciplinary incident or disciplinary code infringement.
- For those pupils whose fees are met partially or in total by the Cyprus Government (such as Maronites, Armenians, Latins, repatriated Cypriots, Turkish Cypriots and so on), it is the obligation of their parents/guardians to settle the school fees according to the applicable deadlines irrespective of when the subsidy is received from the Government.
- Enrolment in the subsequent academic year will be accepted only once the due fees and other financial obligations have been settled.
- In accordance with current legislation (The Prevention and Combating of Money Laundering Act of 2007 (188(I)/2007), the school is not permitted to accept cash payments exceeding €10,000 per family, per academic year, regardless of the number of children enrolled. This applies to all financial transactions between the school and families, such as tuition and other fees, activities, external examinations, excursions and books (with the exception of the school canteen).
