- Update on facility upgrades: requested through site-funded projects updating cameras, fencing around areas in the school (garden, portables, connex), front office security windows, wrapping all windows in the school. Purchasing a new kiln. School is being fitted for the crisis alert system and AEDs being delivered.
- Teacher from Surplus-new teacher selected school and we are waiting for her to begin.
- New Furniture-many classroom teachers and teams requesting new furniture for classrooms and stations to provide more optimal and flexible learning environments.
- Parents asked about having a spring family dance and Santa's workshop. School supports parents planning and implementing a spring family dance. Parent will send a survey in the Tarr Parent Facebook group to get more information from families. Santa's workshop is a little more involved, takes time for ordering, setting up, and people to work the event for 6 days.
