1. Welcome & Roll Call. Ms. McGee motioned to approve the minutes from the last meeting and Mrs. Baldwin seconded the approval. All members present agreed.

- 1.1. Review of School Dance & End of Year House Celebration- wonderful night and grade separation worked better this year. We had no money profit- Expensed \$600 for Cane's so next year we may go back to a nacho bar with light deserts. The end of the year House celebration was well structured and kids - and adults who attended- had fun. The team will discuss new options for next year to change it up - possibly rent the skating rink. Nice idea with Kindergarten students to have a Teddy Bear picnic on the day of the House Celebration.
- 1.2. School Performance Plan Review- our data shows an increase in MAP math and we achieved our goal for the adult leaning goals through PLCs. Math discussion about standards not achieved under "how they learned" - 43% learning intent so higher frequency of class visits next year. New focus will be reading, but will revisit after SBAC results are released in late summer.
- 1.3. Feedback About School Year: Giving Learner Profile awards during 5th grade promotion was a nice touch- however the space needed for families to enjoy the ceremony has exceeded our limits. We may consider 5th grade promotion at another venue to accommodate space.
- 1.4. Upcoming events: 08/11/25-First Day of School for the 2025-2026 School Year

Parent requested a Month at a Glance calendar with Tarr Events for home. shielatarr.org has a calendar for parents to view all events, however this will be in addition to help with communication to our community.

Meeting adjourned at 4:23 pm.
