Agenda Items

Approval of minutes: Ms. McGee & Mrs. Gustaw motioned to approve the minutes.

Old Items:

New Items:

Wellness Policy: We will keep SOT advised monthly. Mrs. Ferguson shared that the district may check on sites randomly. We have 3 goals – Goal 1: follow policy with approved snacks, Goal 2: Physical activity daily, to include before and lunch with brain breaks. We also included Run Club this year. Goal 3: House Challenges with activities, tracking daily miles on the blacktop.

Hygiene Drive: collection was a little less than in the past years. Our thinking is because we grouped certain hygiene items for House Challenge points, and teachers didn't have total buy-in to promote within their class.

1st semester House challenge winner was House Magnanimus.

Upcoming Events: January—NV Donut Truck, 1st Semester Star Student (attendance & behavior) Celebration, Martin Luther King, Jr holiday and Staff Development Day No school.

Mrs. Gustaw will begin reaching out to parents and begin the process of planning the April Dance.

General Discussion

Add a discussion about feedback and input from parents to schedule family events throughout the year. Consensus was to choose varied nights of the month to accommodate

our students who may participate in after school activities.
