Service Learning Project

Wyoming Middle School is excited to partner with [Tikkun Farm](#) this month for a school-wide service project. Students will be collecting donations to support the organization's mission. Tikkun Farm, a 3.5-acre nonprofit farm in the Mt. Healthy neighborhood of Cincinnati, is dedicated to restoring people, community, and creation. Through Tikkun's Free Food Market, families in need of food support can shop once a week, on either Friday or Saturday.

As part of this project, students will collect markers, colored pencils, and stickers to create craft bags for children who shop with their families. Students will also collect a variety of spices to assemble spice bags that families can take home when they visit the market. This service project will take place on Friday, December 19. Please send all donations to your child's homeroom teacher. Click here for additional info: [☰ WMS Service Project](#)
