

FINLY BUDACH MEMORIAL SCHOLARSHIP

Finly's Wings at Work

The family of Finly Budach wishes to award up to seven \$1,000.00 scholarships to a NRHEG graduate/s who plans to attend college to further their education in the medical/health science field or a field directly related to helping children.

Finly's Wings at Work is a non-profit organization that was created in 2018 after Finly went to live with her heavenly Father. Finly was only seven years old, but touched the lives of so many around her. She was such a bright, happy, loving, spirited little girl who will never be forgotten. She had many passions which included gymnastics, dancing, music, crafts, telling jokes, swimming, getting dirty, and ranger rides just to name a few. Her precious spirit and love for life were so beautiful and undeniable, which is why FWA was created. It is our hope to spread joy, gratitude and purpose by giving back to the community's youth in honor of Finly to keep her spirit and memory alive.
