CHARACTER TRAIT FOR JANUARY:

PERSEVERANCE

This month is all about Perseverance. One way to think about Perseverance is “pushing yourself through challenges and obstacles.” We all experience challenges in our lives. We all have moments when we feel like we can’t do it or that we want to give up on a big task. It is important to develop tools that help us work through those challenges in order to grow in those moments instead of giving up. How might you practice Perseverance as a family this month? Perseverance is 1 of 3 traits we will focus on throughout the year that helps students Be Strong. Throughout the school, students will be developing skills like focusing, organizing, and goal-setting.

In need of resources? Have any questions/concerns?
