CENTER STREET CUBS SNOWMAN CRAFT

The Center Street Cubs enjoyed a Snowman Craft event with their families, showcasing creativity and teamwork.

SEARINGTOWN MUSICIANS SPREAD HOLIDAY CHEER

Searingtown Orchestra and Band performed holiday songs at the Community Center.

DENTON AVENUE WINTER WONDERLAND

Denton Avenue Student Council brought the six competencies in a Winter Wonderland.

HERRICKS CHAMBER CHOIR PERFORMS AT RADIO CITY

Members of the Herricks High School Chamber Choir sang at the Radio City Music Hall Christmas Spectacular.

SEARINGTOWN MUSICIANS SPREAD HOLIDAY CHEER!

Selectd students from the Searingtown Elementary Orchestra and Band were thrilled to spread holiday cheer, traveling to the Herricks Community Center to perform for senior citizens and share the joy of music with the community.

CENTER STREET SNOWMAN CRAFT

The fifth grade Center Street Cubs invited their families to join them for a fun Snowman Craft-making event! Students used creative innovation and collaboration to create festive artwork. It was a wonderful opportunity for our students to spend quality time with their loved ones!

DENTON AVENUE WINTER WONDERLAND

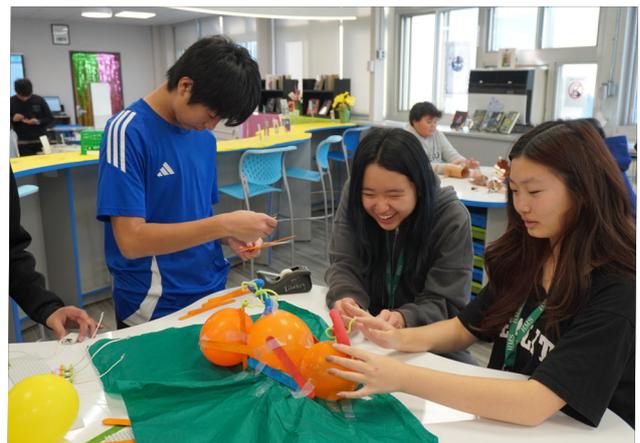

Welcoming the holiday season with winter cheer, Denton Avenue Student Council, under the guidance of Mrs. Glykos and Mrs. DiOrio, collaborated with each grade level to transform the halls into a Winter Wonderland. Each grade was assigned one of the six competencies—Creative Innovation, Collaboration, Confidence, Critical Thinking, Compassion, and Communication—and used winter symbols to create meaningful reflections of who we are as learners and as a community. Denton Avenue is filled with creativity, kindness, and winter magic!

HERRICKS MIDDLE SCHOOL STEAM DESIGN PROCESS CHALLENGE

The Herricks Middle School library and the 8th grade STEAM elective collaborated on this exciting project! Students were taken through the Engineering Design Process using a product called Little Bits, where they learned to create light, sound, and movement through electrical engineering. They were then challenged to design a float for a “Thanksgiving Day Parade.” Finally, students presented their floats to the rest of the class, highlighting two unique design elements of their build!

HERRICKS HIGH SCHOOL

PERFORMS AT RADIO CITY MUSIC HALL

The Herricks High School Chamber Choir, along with select members of the Upper Voices Choir, sang at the Radio City Music Hall Christmas Spectacular as part of the Voices of Christmas on Thursday, December 11. This marked the first time the Chamber Choir has been invited to perform on the world-renowned stage made famous by the legendary Rockettes. Following their performance, the choir enjoyed the show and later visited the Rockefeller Center Christmas Tree, making for an unforgettable experience.
