Indicators to Assess-Create-Monitor

Indicators Assessed

Objectives Planned For

Monitor (updates made)

Exceptional Children's Teacher Assistant B3.04

-Need to determine what the role of the EC TA should be with our staff and students

-Document created during PD (last week) that will help empower TA's with the work that needs to be done (with EC and regular ed students who might need to be screened)

-Krystal Davis (from GCS EC department) is educating TA's about interventions, IEP's, providing support and websites to look at before next meeting

-TA's were very receptive of the information and help

-TA's want to know if regular ed teachers would be receptive to feedback they are seeing with students

-EC teachers would like dates of upcoming PD

-Share information with TA's that serve one-on-one students

Data of Growth A3.01

-Red and blue students will cancel each other out leaving green students

-Want to minimize the red but the green are is where we have the most opportunity

-Question: "Which teacher's and students should be provided prioritized support to maximize growth?"

-Access PowerBI through the data hub. Click on IA report and then Growth Progress

-Goal of 50%-60% (suggested by Molly Stoltz)

-Leadership team will take this information to grade levels after break

MTSS A3.01

-Core problem solving team has started meeting to determine core problem and what we can put in place after the break

-More information coming

Additional Agenda Items

Action Taken:

Announcements for Clubs

-Can we avoid having clubs meet during core instruction
