

GRAND FORKS
Foundation for Education
& Alumni Network

ANNUAL REPORT 2025

From Our President

Dear Friends and Supporters,

As I conclude my sixth and final year serving as a board member with the Grand Forks Foundation for Education, I am filled with deep gratitude for the opportunity to work alongside so many remarkable individuals who share a steadfast commitment to enriching the lives of youth in our Grand Forks community. It has been an honor to collaborate with those who support our educators and staff within the Grand Forks Public School System—dedicated professionals who provide meaningful, transformative experiences for our students every day.

Thanks to the generosity of our donors, the Foundation has continued to expand its impact through our grant programs, distributing resources and supporting projects that have made a tangible difference in classrooms across the district. The outcomes of these efforts are evident throughout our schools, where innovative programs and new learning opportunities have flourished. I am hopeful that we will continue to cultivate equitable partnerships, ensuring that every student has access to the tools and support they need to thrive.

During my tenure with the Foundation, I have been fortunate to witness countless initiatives that advance our shared mission: empowering students with the knowledge, skills, and confidence to lead successful and fulfilling lives. These projects stand as a testament to the dedication of our many contributors—community members, educators, and volunteers—whose commitment to excellence continually inspires me. Together, we have worked to build environments that foster growth, resilience, and opportunity for every learner.

I am particularly excited about the opening of the Career Impact Academy, a transformative initiative that embodies the future of education in Grand Forks. This state-of-the-art facility will provide students with hands-on, career-focused learning experiences that prepare them for success in both college and the workforce. The Academy reflects the collaborative spirit and dedication to excellence that define the Foundation's work, and I am confident it will be a cornerstone of innovation and opportunity for years to come.

To all who have contributed their time, talent, and resources to support our mission and the well-being of our youth, I extend my most sincere appreciation. It has been a true honor to serve on the Foundation for Education's Board of Directors, and I am deeply inspired by the continued commitment of our Foundation and community partners. Together, we are shaping brighter futures and ensuring that every young person in Grand Forks is empowered to meet the future with confidence, optimism, and purpose.

Thank you.

Sincerely,

Mike Wilber
President, Board of Directors
Grand Forks Foundation for Education

Hello, Friends of the Foundation!

Dear Friends of the Grand Forks Foundation for Education,

As I reflect on the past year, I'm filled with gratitude and pride for all that we've accomplished together. Thanks to the generosity of our donors, the dedication of our educators and staff, and the support of our community, the Foundation continues to make a meaningful difference for students and families across Grand Forks Public Schools.

This year has been one of growth, impact, and celebration. From funding classroom innovation grants and student scholarships to supporting essential needs such as school meals, transportation, and mental health resources, your contributions have touched lives in profound ways. Every gift, no matter the size, helps ensure that each student has the opportunity to learn, grow, and succeed.

One of the most exciting milestones of the year was the grand opening of the Career Impact Academy, a transformative new space that connects students to real-world, hands-on learning experiences. This incredible facility is already shaping the future workforce of our region, inspiring students to explore careers in high-demand fields and discover their passions. The Foundation is proud to have played a role in supporting this vision and celebrating its opening with our community.

As we look ahead, I'm inspired by the continued generosity and compassion that fuel our mission. Together, we are strengthening the foundation of education in Grand Forks. One student, one family, one classroom at a time.

On behalf of the Foundation's Board of Directors and staff, thank you for another wonderful year of partnership and impact. Your belief in our work continues to open doors and create opportunities that will last a lifetime.

With heartfelt gratitude,

Emilia Hodgson

2024-2025 Mini & Impact Grant Breakdowns

Impact Grants

$4,800 – Travis Thorvilson and All GFPS Librarians
For his "GFPS Librarian Professional Development" impact grant, to pay for the conference fee for all 16 district librarians to attend the 2025 NDLA Tri-Conference to be held in Grand Forks in the Fall of 2025.

$7,500 – Amy DeWitt and Century Elementary
For her "Portable Stage for Century Elementary" impact grant to help purchase a portable stage to be used by all classes and activities at Century.

Total Allocated: $24,771

Impact Grant Feature Project

$12,471 – Lynneah Boyer and Lake Agassiz Elementary
For her "New Bar Instruments for Lake Agassiz" impact grant to purchase an entire set of barred instruments (xylophones and metallophones) for the additional music classroom at Lake Agassiz.

Mini Grants *Fall 2024*

Elementary School

$400 – Sara Yurosko, Wilder Elementary
For her "4th Grade Books" grant to purchase various Social Emotional Learning titles for her classroom library.

$408 – Ann Herbeck, Discovery Elementary
For her "Learn & Read Together!" grant to purchase literacy tools, books, and a field trip to the Grand Forks Public Library for multilingual learners.

$502 – Tracy Whalen, Lake Agassiz Elementary
For her "Reading Around the World" grant to purchase books for the library in a variety of languages to support multilingual learners.

$1,134 – Hailey Joyce, All Elementary Physical Ed
For her "Baggo for Elementary Physical Education" project. This award will fund six bean bag toss games to be shared across the district.

Middle School

$1,500 – Roger Quinn, All Middle Schools
For his "Atlases for Geography" grant that will purchase atlases that include physical geography resources like; maps, charts, infographics, landforms, climate/eco systems, population, migration, and economics.

High School

$500 – Brooke Goodwin, Red River High
For her "Student-Centered Classroom" grant, to purchase a variety of items for her interventions tutoring class. This includes service project items, paint/canvases, plant potting supplies, and more.

$650 – Nancy Greenwood, Central High
For her "Just Gell'N" grant. These funds will be used to purchase gel plates and ink to introduce her art students to monoprints.

Mini Grant Feature Project

$1,473 – Amy Kruger, Kelly Elementary
For her "Native American Loom Project" grant to purchase supplies for this hands-on 5th grade beading project.

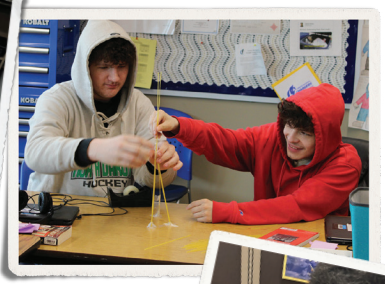

> **THANK YOU SO MUCH**
>
> for making this activity happen!
> It's such a great experience for these kids.
>
> *- A Parent*

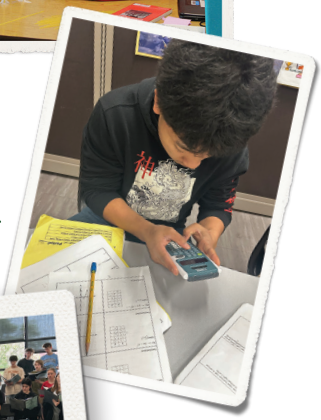

$698 – Sara Tezel, Community High
For her "Community for the Community" grant, to purchase a mobile cart to store supplies for various community engagement projects.

$1,405 – Andrea Parks, Central High and Red River High
For her "Calculator Fund" project. This grant purchase scientific calculators and batteries to be used in multilingual learner math and science classrooms at both Central and Red River High Schools.

$2,600 – Geoff Mercer & Paul Barta, Central High
For his "GFC Vocal Music/Guitar/ Theatre iPad Update" grant, to purchase two iPad Pros to support music classes and theatre productions.

Total Allocated: $11,270

The students and teachers at Kelly School extend their sincere gratitude for the mini-grant funds in which we were awarded earlier this year. This allowed all 5th graders to once again participate in our Native American Loom Art project. This is a well-loved activity, as it applies student creativity, concentration, knowledge of the Native American culture (and even a little bit of productive struggle.) We welcomed in parents to support students as they loomed, and it was an enjoyable experience for all! We were so grateful to have enough supplies to make this event possible. Thank you. Without these funds, our students would have missed out on this unique experience.

"Can I make five looms, please?

THIS WAS THE BEST!

- A Student

The project absolutely utilized the benefits of collaboration and parent support. We invited parents in to prep the looms, and some were so excited about it that they came back to help with our looming days. It was a wonderful opportunity for those parents to get a glimpse inside our classrooms at the exciting things that happen. Also, students were so happy to have extra helping hands, especially from parents - it was true collaboration at work.

- Amy Kruger

Mini Grants *Spring 2025*

Elementary School

$167 – Ann Herbeck, Discovery Elementary
For her "Game On! Games for English Learner Success" grant to purchase hands-on games, interactive learning activities, and board games designed for multilingual learners.

$250 – Amy DeWitt, Century Elementary
For her "Glockenspiels for Century" grant to purchase a set of soprano and a set of alto Glockenspiels for her music classroom.

$524 – Alice Smith, Ben Franklin Elementary
For her "Turtle River Field Trip" project. This award will fund a field trip (busing and entry) to Turtle River for all 5th graders in the Spring of 2025.

$1,280 – Maggie Nistler, Discovery Elementary
For her "Orff on the Move" grant to purchase an instrument cart for the safe storage and transportation of the school's Orff instruments.

$1,460 – Amber Brown, Lake Agassiz Elementary
For her "Fine Motor Stations" grant to purchase various fine motor skills supplies to be used by OT, Kindergarten, and literacy specialists.

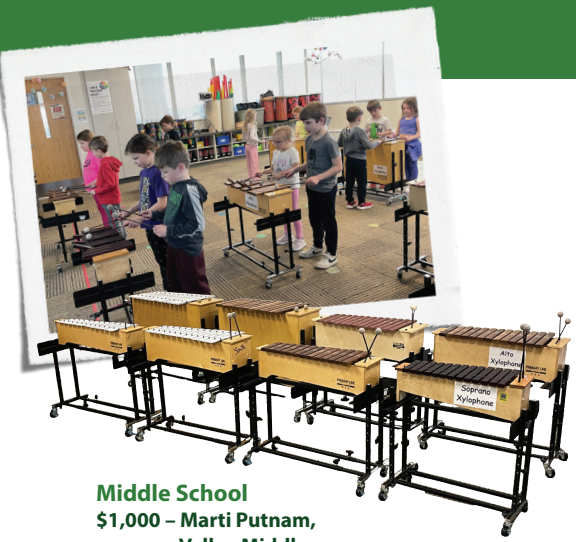

Mini Grant Feature Project

$570 – Emily Kulas and Andrea Maus, Red River and Central Highs
For their "High School Summer Reading Program – Uncharted Worlds: Explore New Realms" grant, to purchase a variety of supplies for their summer reading program. This includes notebooks, bookmarks, tote bags, and more.

> With the help of the Foundation, we were able to fund our summer reading program at the high school level. This program ensures that all students have access to reading material over the summer to
>
> **CONTINUE THEIR READING JOURNEY.**

Middle School

$1,000 – Marti Putnam, Valley Middle

For her "Community-Based Instruction & Pre-Vocational Skills" project to empower Valley special education students to develop their vocational and social skills in preparation for career and community integration.

High School

$1,272 – Madisen Ellingson, Central High

For her "Enhancing Classroom Mobility and Engagement with Apple TV" grant. These funds will be used to purchase Apple TV devices and cables for math classrooms in an effort to increased engagement and monitoring.

$1,476 – Debbie Aaker, Community High/ Adult Transition Program

For her "Adult Transition Program Work Experience Shirts" grant, to purchase collared polo shirts for students to wear when they are out in the community during their work experience placements.

District-wide

$2,158 – Carolyn Olson, District-wide Physical Education

For her "Adapted PE Overcomer" grant, to purchase two Flaghouse Overcomers; new adaptive devices to help students with disabilities access sport skills.

Total Allocated: $10,157

Both schools experienced increased participation - Red River 41, GFC 42. Participants reported excitement in being able to select their own books for summer reading that they weren't able to get during the school year. Others enjoyed having books selected for them by the library media specialist based on their interests as well as those that might be outside their comfort zone with titles centered around our Summer Reading Program theme, Explore New Realms. Each bag included items that would assist them on their reading journey and provide bookish joy. Participant numbers increased from previous years and garnered more staff interest as well. Having this service available to both groups allows for positive connections within our school community.

- Emily Kulas & Andrea Maus

Career Impact Academy: *A Legacy of Community, Collaboration, and Opportunity*

Amanda SILVERMAN Kosior, GFC '98
Written for the Red Cent Community Newspaper

The Career Impact Academy (CIA) in Grand Forks is not only a beautiful new high school and adult learning center shared by school districts across the region – it's a living testament to what happens when a community comes together with a shared vision. That vision: a place for students to receive hands-on, real-world experience in fields that lead directly to college, the workplace, or the military, in support of a thriving, generational North Dakota. In the words of Eric Ripley, Executive Director of Career and Technical Education for Grand Forks Public Schools, "The Grand Forks Career Impact Academy is a transformative force for our community. By bridging the gap between education and employment, we empower our youth, strengthen our workforce, and promote sustainable economic growth for the future."

The journey began five years ago with a dream, and on August 13, 2025, that dream was celebrated with a ribbon-cutting ceremony and open house. The CIA now stands proudly near Gateway Drive and 42nd Street, ready to welcome students in grades 10–12 at the start of the school year. Its foundation was laid long before the first brick, with the hands and hopes of state and local educators and legislators, employers and economic development leaders, regional colleges and universities, and the public at large.

Courses at the CIA will be taught in three 100-minute blocks, rather than the typical seven-period school schedule, to allow for travel not just throughout Grand Forks, but beyond – because while the CIA is under the umbrella of Grand Forks Public Schools, it will be shared by school districts across the region. At Larimore, for example, a student survey found that 50 of 80 high school students were interested in learning at the CIA. Mike Wilber, associate principal at Grand Forks Central High School, noted the excitement among students and the strategic scheduling that will allow them to participate in CIA programs while remaining engaged in extracurricular activities at their home schools.

Superintendent Terry Brenner best summed up the significance of the CIA: "This is a place where dreams will be built, skills honed, and futures launched." The Career Impact Academy is proof that when a community unites around a common goal, the results are extraordinary. It's not just a building; it's a beacon of opportunity, built by North Dakota, for North Dakota.

GRAND FORKS PUBLIC SCHOOLS

TEACHERS Hall Of Fame

Five Inducted into Grand Forks Public Schools Teachers Hall of Fame

These five outstanding educators were selected for induction into the 2024 Grand Forks Public Schools Teachers Hall of Fame.

About the Grand Forks Public Schools Teachers Hall of Fame

The Teachers Hall of Fame was created in 1995 by the Grand Forks Foundation for Education and Alumni Network as a means to publicly thank and recognize outstanding and memorable retired educators who have made an impact on students. The Hall of Fame also is a means to honor the teaching profession for its vital role in shaping the future of individuals and society. To be eligible for the Teachers Hall of Fame, teachers must have been retired from Grand Forks Public Schools at least one year; they may have been former elementary or secondary classroom teachers, administrators, counselors, or librarians. Inductees are selected every other year by the Alumni Network Advisory Committee. Nominations of retired educators are accepted from former students, colleagues, or the general public.

Save the date!

The next induction ceremony will take place in October 2026. Nominations are always open. To nominate your favorite educator, scan the code or visit us at gffe.gfschools.org/Alumni/THOF

Linda Christenson (posthumously) was an educator for thirty years, inspiring students to appreciate, comprehend, and deeply connect with timeless literature. "She had the intelligence of a college professor and the compassion of an elementary teacher." She passed away in July 2004. Her husband, Duane Christenson, and her children accepted her induction in her honor.

Marlon "Buck" Kasowski After serving as a math teacher and coach at South Junior from 1979 to 1994, associate principal at Valley Junior from 1994 to 1995, Kasowski served as an associate principal and principal at Grand Forks Central High School from 1995 to 2019. Buck's impact on our schools and students is immeasurable.

Dean Opp was a beloved speech and drama teacher at Red River High School from 1985 to 2020 and director of the Summer Performing Arts (SPA) program and summer school from 1988 to 2020. "Dean Opp has left a huge mark on RRHS, and the theatre program at RRHS is better because Opp was a major part of it."

Vicki Peake devoted her impressive 52 year career to teaching reading, health, English, and literature at Valley Middle School. "Mrs. Peake was one of those teachers who truly made an impact on her students. You knew when you entered her classroom that you would be held to high expectations but would also have fun, learn, and laugh."

Brad Sherwood, who taught vocal music at Valley Junior from 1989 to 1992 and vocal music, guitar, and harmony at Red River High School from 1992 to 2020. Brad's influence extended far beyond the classroom—he also served as the program director for the Summer Performing Arts (SPA) program and the district coordinator of music.

We would not be able to do what we do without your continued, financial support. On behalf of the students and staff that benefit from your generosity, thank you! The following is an alphabetical list of our 2025 fiscal year donors.
