Community Overview

Caldera High School is Bend La Pine School District's newest public, comprehensive high school. Caldera opened its doors in September of 2021 to roughly 650 students in 9th and 10th grade. Caldera added students and staff over the last few years and is now serving grades 9th-12th as of fall of 2023. Caldera's first graduating class was in 2024.

Our Vision: Relevant and purposeful learning in a community where you belong.

People thrive when they feel connected and when they see purpose in the work they do. This guiding idea is at the heart of everything we do at Caldera. When we help learners find their purpose in a place where they feel they belong, we know that learning is enhanced. Relevant learning begins with a deep understanding of the content and a deep understanding of those we learn with. As we help our students grow, support the families we serve, and empower our current and future staff, we will always lead with relationship building as the pathway to success.

Racial Breakdown

Daily Schedule

Caldera operates on a rotating schedule. Students attend 5 of their 7 classes each day. Students at Caldera also attend an Advisory period 4 times per week for 30 minutes. Students remain in the same advisory from 9th-12th grade; it is a place for students to receive weekly announcements, support with their academics, attend club meetings and build relationships with staff and peers.

Core Curriculum

At CHS, students in grades 9 -12 are expected to complete our core curriculum:

9th grade: Literature and Composition 1, Integrated Math 1, Physics, Health 1, & PE.

10th grade: Literature and Composition 2, World History, Integrated, Math 2, Chemistry, Health 2, & PE.

11th grade: Literature and Composition 3*, US History*, Math 3, and Biology,

12th grade: Literature and Composition 4*, and Government/Economics*

* can be taken at the AP level.

CHS Special Programs

Caldera High School is home to Bend-La Pine Schools' **Dual Immersion (DI) program**. Students enrolled in the DI program complete subject specific course work in both English and Spanish. Students who pass the AP Spanish Language exam are awarded the Oregon Seal of Bilingualism.

Students at Caldera are also able to complete classes through the **Bend-La Pine Online program** to complete credits towards earning their high school diploma.

In collaboration with Central Oregon Community College (COCC), students can access college level courses at Caldera through **CollegeNow (dual enrollment)** courses.

Additionally, students can take COCC courses through **concurrent enrollment opportunities**. CHS has about 5-10 students per year take advantage of this programming.

School Ranking

The Bend-La Pine school district does not rank its students. We will provide percentile ranking directly to universities or scholarship organizations should they ask.

Discipline Disclosure

It is the practice of Bend La Pine School District to not disclose discipline reports to colleges/universities. If asked, counselors will mark "my school policy prevents us from disclosing" or they will not answer the question if the first option is not available on the school report.

School Counseling Program

Caldera is a RAMP (Recognized ASCA Model Program) certified comprehensive program. Offering a robust academic, social & emotional and college & career program. Caldera students use **SchoolLinks** as their college and career readiness platform.

Grading Scale

Students generally earn one-half (0.5) credit for passing a one-semester (18- week) class and one (1.0) credit for passing a full year (36-week) class. Weighted points are given for AP courses and CollegeNow classes starting in 25-26.

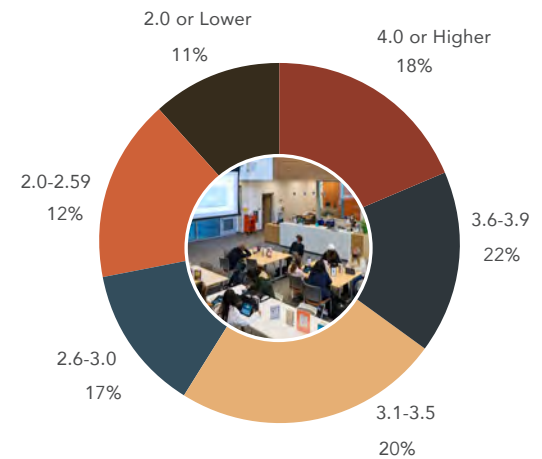

Caldera utilizes a Standards Based grading system. This system is based on a 0-4 scale.
