Daily Schedule

The school year consists of two semesters, each 18 weeks, with nine-week reporting periods. Classes are 72 minutes in length and meet on a seven period, three day rotating schedule. Students attend five of their seven classes each day - each class meets twice every three days. Occasionally, students are enrolled in a class that meets once every three days and earn .25 credit per semester rather than the typical .5 credit.

Core Curriculum

Students in grades 9 -12 are expected to complete our core curriculum:

9th grade: Literature and Composition 1, Math 1, World History, Physical Science", Health 1

10th grade: Literature and Composition 2*, US History*, Math 2, Biology*, Health 2

11th grade: Literature and Composition 3*, Math 3*, and Chemistry*

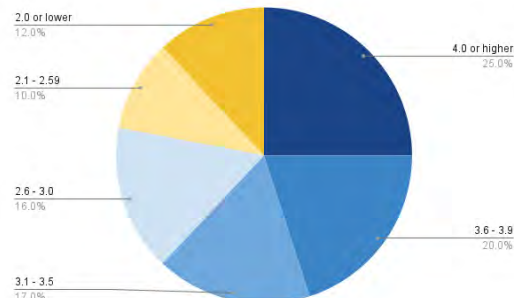

12th grade: Literature and Composition 4*, and American Government*

*Can be replaced by an IB or Honors course.

Grading Scale

Students generally earn one-half (0.5) credit for passing a one-semester (18- week) class. Weighted points are given for IB and College Now courses. Bend Senior High School utilizes a Standards Based grading system. This system is based on a 0-4 scale.

School Ranking

The Bend-La Pine school district does not rank its students. We will provide percentile ranking directly to universities or scholarship organizations should they ask.

Discipline Disclosure

It is the practice of Bend La Pine School District to not disclose discipline reports to colleges/universities. If asked, counselors will mark "my school policy prevents us from disclosing" or they will not answer the question if the first option is not available on the school report.

Curriculum

The curriculum is academically rigorous and contains a strong college prep emphasis. Honors (HNR) levels are offered in 9th grade for English, Modern World History and Math. IB Prep courses are offered in 10th grade for English, History, and Science, and Advanced Math. Bend Senior High School is an **International Baccalaureate (IB)** World School. Major emphasis is placed upon reading and writing skills throughout the school curriculum. Academic and career advising occurs through grade-level advisory groups that meet regularly throughout the year. Structure work-based learning experiences are emphasized through the **School to Career Alliance** and in research-based courses. Students may complete classes independently through the **Bend La-Pine Online** program. Students may enroll in college level courses at nearby Central Oregon Community College. In addition, students can apply to earn college credit for courses taken on campus through **College Now** and CTE programs.

International Baccalaureate

We aim to develop inquiring, knowledgeable, and caring young people who help create a better and more peaceful world through intercultural understanding and respect. We encourage students to be active, compassionate, and lifelong learners who understand that other people, with their differences, can also be right. (International Baccalaureate Organization, 2009)
