Community Overview

Our Mission - Relevant and purposeful learning in a community where you belong.

Mountain View High School is part of the Bend-La Pine School District (BLSD). BLSD is the fifth largest district in Oregon and serves more than 18,300 students in grades K-12. Bend is the hub of Central Oregon, with Redmond and Madras to the north, Sisters to the west, and Sunriver and La Pine to the south. The high desert environment is filled with natural beauty, snow-capped mountains, and broad, blue skies. The area attracts a variety of businesses, both large and small, serving industry, recreation, health, and community.

The schools are organized on a 5-3-4 plan, which means the elementary schools serve grades K-5, the middle schools serve grades 6-8, and the high schools serve grades 9-12. There are nineteen elementary schools, seven middle schools, five comprehensive high schools, and two choice option high schools.

Daily Schedule

Our students are assigned 7 class periods through a rotating ABC block schedule. Each period lasts 72 minutes.

Freshman students earn an additional 0.5 credit, awarded as 0.25 credit per semester, for our Freshman Foundations course. Freshman Foundations follows a social-emotional curriculum and teaches students skills for academic success.

Core Curriculum

At MVHS, students in grades 9-12 are expected to complete our core curriculum:

9th grade: Literature and Composition 1, Math, Biology, Modern World History*, Health 1, and PE.

10th grade: Literature and Composition 2, US History, Math*, Physical Science or Chemistry, Health 2, and PE.

11th grade: Literature and Composition 3*, Math* and Science*

12th grade: Literature and Composition 4* and Civics/Government*

* can be taken at the AP/Dual Credit Level.

MVHS Special Programs

Advanced Placement (AP) - The AP program at Mountain View helps prepare students to perform competitively at the college level and provides them the opportunity to earn college credits while still in high school. Mountain View's AP program is available to students in grades 9-12 and offers the classes necessary for a student to earn the AP Diploma.

Bend-La Pine Online - Students at Mountain View are also able to complete classes through the Bend-La Pine Online program to complete credits towards earning their high school diploma.

Career and Technical Education (CTE) - Mountain View High School offers one of the largest selections of (CTE) courses in our district. CTE courses are available to all students.

Early College/Dual Credit - Mountain View High School offers an Early College/Dual Credit Program for all students. Dual credit courses are available in a variety of CTE programs as well as in core subjects including math, language arts, science, and social studies. Options include courses in agriculture science, automotive, art, health, math, and more. College credits earned in MVHS courses can be used to meet community college certificate or degree requirements or transferred to many other community colleges and universities across the U.S.

Additionally, students can take Central Oregon Community College (COCC) courses through concurrent enrollment opportunities.

School Ranking

The Bend-La Pine school district does not rank its students. We will provide percentile ranking directly to universities or scholarship organizations should they ask.

Discipline Disclosure

It is the practice of Bend-La Pine Schools to not disclose discipline reports to colleges/universities. If asked, counselors will mark "my school policy prevents us from disclosing," or they will not answer the question if the first option is not available on the school report.

COVID Grading Statement

School Year 2020-21: Bend-La Pine Schools were closed to in-person instruction for the first semester; instruction was delivered through comprehensive distance learning September 14, 2020, through February 4, 2021. For the second semester, schools were reopened to in-person instruction. Instruction was delivered in an A/B model February 8, 2021, to April 16, 2021. "All-in" in-person instruction was delivered April 19, 2021, through the end of the school year, June 17, 2021.

School year 2020-21 Bend-La Pine Schools used the following grading system:

90-100 = A 80-89.99 = B 70-79.99 = C 60-69.99 = P (Pass) 50-59.99 = NG (No Grade)

Grading Scale

The majority of classes are weighted equally on a 4.0 scale when computing grade point average. AP courses and certain college-level courses are weighted on a 5.0 scale.

Students complete 0.5 credits in 18 weeks and 1.0 credit in 36 weeks. Students must earn a total of 26 credits for the Bend-La Pine Schools Academic Diploma and 27 credits for the Bend-La Pine Schools Honors Diploma.

Mountain View utilizes a Standards Based grading system. This system is based on a 0-4 scale.
