Dear Parents and Caregivers,

We are writing to share important updates regarding student transportation when school resumes following the Christmas holidays.

Thanks to the hard work of our Transportation Department, these adjustments are minor and will not impact your child's ability to receive bus transportation to and from school each day.

Below, you will find updated bus routes, assigned drivers, and projected morning pickup times. Please note that final afternoon drop-off times will be confirmed directly by your child's bus driver, Mr. Howell or Mr. Neasman.

We appreciate your patience and cooperation as we work to ensure safe and reliable transportation for all students. We look forward to welcoming your child back with a smile when school resumes on Monday, January 6.

We wish you and your family a safe and blessed holiday break.

Sincerely,

Dublin City Schools Transportation Department
