Celebrate the Newest Class of Parkway Hall of Fame Inductees

We're just weeks away from one of the Parkway Alumni Association's most anticipated events—the Hall of Fame Induction Ceremony on November 9, 2024! This year's [Class of 2024](#) inductees are truly exceptional, each embodying the Parkway legacy through outstanding achievements and impactful service.

We are also excited to celebrate Superintendent Dr. Keith Marty as the first-ever Honorary Member of the Parkway Hall of Fame. Dr. Marty, a longstanding advocate for the alumni association, has dedicated his career to supporting Parkway students, staff, and the community. His induction is a tribute to his remarkable contributions and leadership.

Since its founding in 2004, the Parkway Alumni Hall of Fame has honored graduates who have distinguished themselves and brought pride to our district. Now, with over 200 honorees from diverse fields and backgrounds, the Hall of Fame continues to celebrate the extraordinary accomplishments of Parkway alumni.

The Cerutti Family Foundation

The Cerutti Family Foundation was established in memory of Tim and Mike Cerutti to provide Outdoor School scholarships for Parkway's sixth-grade students. Since 1970, the Parkway Outdoor School Program at Camp Lakewood has given students a unique, four-day learning experience focused on environmental education. This fund ensures that every student has the opportunity to participate in this remarkable program, regardless of financial circumstances.

A Note from Our Board President

Dear Parkway Alumni,

Homecoming 2024 was a fantastic success, and we loved reconnecting with so many of you! Now, we're looking forward to our annual Parkway Golf Tournament at Forest Park, where twelve teams will compete in support of PAA programs, and the upcoming Hall of Fame Induction Ceremony. These events showcase the vibrant Parkway spirit, past and present, and we invite you to make a special gift to honor an inductee or support our PAA initiatives by donating securely online [here](#).

As we celebrate these moments, we're proud to highlight the incredible achievements of our students this fall. Central High School recently held a Day of Service, where juniors and seniors led a Special Olympics soccer tournament, while freshmen volunteered with 18 nonprofit organizations. Sophomores also engaged in meaningful service at 11 different sites, including Angels' Arms, Gateway Arch National Park, Mission St. Louis, and more.

Our Parkway students and staff continually exemplify leadership, compassion, and commitment to community—a legacy we all share. As we approach the holiday season, we invite you to show your generosity by giving back to support the success of our schools, students, and dedicated staff.

Thank you for being an essential part of the Parkway family!

Warm regards,
Kennedy Graf, South '15

In the Kitchen!

Did you miss it? A familiar face graced your screens last week! North High grad Juwan Rice - PN '20 competed on Chopped on Food Network.

Juwan, the owner of Rated Test Kitchen, which opened in spring 2023, is not only a chef but also a photographer, food stylist, content producer, and entrepreneur. Join us in celebrating Juwan's post-graduation successes!

What's Happening At School?

Central's Day of Service

We can all agree that giving back to the community is good for the soul, and there was plenty of it with the Colts' seventh annual 'Day of Service'!

While the juniors and seniors led the Special Olympics soccer tournament, the freshmen learned about and worked with 18 non-profit organizations. At the same time, the sophomore class had 11 service site options to choose from, including but not limited to Angels' Arms, Gateway Arch National Park, Mission St. Louis,

St. Louis County Library, Central area elementary schools, Green Trails, and River Bend.

Parkway ECC

We're thrilled to see [Parkway Early Childhood](#) featured in [Character.org](#)'s new publication, 'Growing Goodness: How 12 Schools are Fostering Character in Early Childhood'!

Check out the two-page spread highlighting Parkway ECC as a leader in early childhood education and its student-centered

[approach to service learning in the community.](#)

Spark!

It's been an inspiring few weeks for Spark! To cap off September, as is tradition, superintendent Dr. Keith Marty visited the Teaching & Learning students to share his wisdom and experience gained from a remarkable 50+ years in education, the importance of lifelong learning, and the transformative power of teachers.

Additionally, top Missouri education officials, including

Commissioner Karla Eslinger and three state board members, visited Spark! to learn more about the innovative program and its impact on Parkway students and industry leaders. No surprise here that the panel of Spark! associates impressed when showcasing their experiential learning and real-world experiences.

Mental Health Matters!

As students navigate the daily challenges of life and school, we are committed to prioritizing their well-being . This year, Parkway bolstered its staff to include a licensed clinical mental health therapist in every school, providing all students with the support they need to learn, grow, and thrive!
