Participation in Insurance Program by Board Members

Members of the board of education may participate in the school district's health and life insurance plans which are provided to school district employees. A board member electing to participate in the insurance program of the school district shall pay both the employee and the employer portions of the premiums to the district in advance of any payments being due from the district to the insurance carrier.

Every three months, the board will place on its agenda a report identifying the board members who have elected to purchase insurance coverage through the district. This report will be made available in the school district office for review by the public upon request.
