Pulling your College Application Together - collegeboard.com

- Narrow your list of colleges between 5 and 10 and review it with your counselor. Get an application and financial aid information from each. Visit as many as possible.
- Make a master calendar and note:
 - ⇒ Test dates, fees, and deadlines
 - ⇒ College application due dates
 - ⇒ Required financial aid applications and their deadlines
 - ⇒ Due dates for recommendations, transcripts, and other necessary materials
- Ask for recommendations. Give each person your resume or Letter of Recommendation form, located in the Career and Information Center; a stamped, self-addressed envelope, if necessary, and any other required forms.
- Write application essays and ask a teacher, the writing center, parents, or friends to read your first draft.
- Most school's priority deadlines are in November!

COMMON APPLICATION!!!!

488 member institutions tied to ONE college application, the "Common App". Students can apply online at www.commonapp.org See your counselor if you have any questions.

IMPORTANT Information about requesting transcripts and SAT/ACT Scores

Sending SAT/ACT scores to colleges - Most colleges and universities want your test scores sent **ONLY** from the test companies and no longer accept them from high schools. Decide what colleges you would like your test scores sent to and use your **one time only** free request option on your test registration. Sending your scores later is timely and costly.

Requesting Transcripts from BLHS – Order them online on the website. Plan ahead-it takes 48 hours to process your request.

SAT Opportunities:

Take a practice SAT on paper to simulate the test day experience. After you've finished, score your test using your phone and the free mobile app. "Daily practice for the New SAT, or print the resources that come with each test to score them by hand. Go to www.collegereadiness.collegeboard.org/sat/practice .
