This year, Mill Pond began a new tradition to honor the veterans in our students' families. With help from staff and our dedicated PTA, they organized a lovely treat for our veterans. Our students proudly lined the hallways, singing with love and respect as our veterans paraded through the halls of Mill Pond. This event was filled with pride and joy!

Morning Announcements

Our kindergarten and preschool classes have taken over our morning announcements! Each week, we welcome one class into the main office. They lead the building everyday with The Pledge of Allegiance. The students end the announcements wishing everyone a great day!

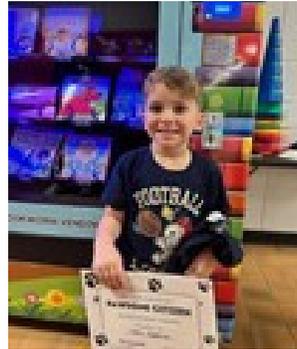

GOOD
MORNING

Pawsome Citizens

Our building wide Lion Language has really taken off as our students are learning to be kind, be respectful, and be responsible. Each week, teachers take a few moments to talk about our work of the week and how it relates to our building wide expectations. We want to congratulate our students that earned a cubby coin and a trip to the book vending machine!

Lacey Food Bank Donations

Mill Pond students and staff saw a great opportunity to help a local organization this holiday season. Our furry friends needed some assistance and we were happy to help! During the first 2 weeks of December, Mill Pond gathered items such as dry food, canned food and lots of treats!

Lanoka Harbor News

Students of the Month

The following students have been selected as Lanoka Harbor's Students of the Month for November 2025. These students were chosen for their outstanding work, dedication, and achievement.

Proud Paws

On Friday, November 14th, the Lanoka Harbor School Proud Paws hosted a breakfast to honor our veterans. Students in 3rd through 5th grade were asked to invite a special veteran to join them. In addition to the breakfast, all students and faculty were asked to participate in paying tribute by sending in a photo along with a tribute card honoring a family member or friend who is a veteran or currently serving. These photos and tribute cards were put on display in the front foyer display case of the school. The event ended with a bagpipe-led veteran's parade through the halls!

A special thanks to the Proud Paws Club, Club Advisors Mrs. Meyler and Mrs. Supsie, Mrs. Snover, and the Lanoka Harbor School PTO for their hard work in planning this amazing event!

50th Day of School

On November 20th, Lanoka Harbor School students celebrated the 50th day of school “Fifty’s Style”. The students dressed in 50’s style clothing and completed learning activities related to the number 50.

Intergenerational Club

The Lacey Schools Intergenerational Club recently participated in the Lacey Food Bank’s Paper and Toiletry Drive. The Lanoka Harbor School club asked each grade level to bring in specific items needed by the Food Bank from November 17th through November 21st. Those items were placed in grade-level collection bins. Together, the club members sorted and boxed the items that were donated to the Food Bank. We are very thankful for all the families that generously supported the Intergenerational Club and Lacey Food Bank!

SENIOR OF THE MONTH

OLIVIA G. MILLER

The Lacey High School is proud to recognize Olivia Miller as Senior of the Month for December.

Olivia is a student whose character, attitude, and daily actions make a meaningful and lasting impact on our school community. While her accomplishments are impressive, it is who she is—not just what she has achieved—that truly sets her apart.

Olivia is the kind of student who elevates every space she enters. She approaches each day with positivity, humility, and purpose. Whether she is supporting a classmate, mentoring younger students, or simply interacting with peers and staff, Olivia brings a sense of warmth and sincerity that makes others feel welcomed and valued. Her kindness is effortless and genuine, and it is one of the qualities that makes her so deeply respected by both students and faculty.

What stands out most about Olivia is her quiet strength. She leads not through recognition or spotlight, but through example: showing up consistently, working hard, and encouraging others to do the same. Her ability to balance numerous responsibilities with grace speaks to a maturity well beyond her years. Olivia never complains, never avoids a challenge, and never hesitates to help when someone needs support. She is dependable, compassionate, and grounded—traits that make her a model for her peers.

Olivia embodies what it means to be both a dedicated student-athlete and a committed STEM scholar. She balances the demands of rigorous coursework with the intensity of competitive athletics, approaching both with the same discipline, focus, and determination. In the classroom, Olivia's curiosity and drive push her to excel in challenging STEM environments, where she consistently demonstrates strong problem-solving skills and innovative thinking. On the field and on the track, she brings leadership, resilience, and a team-first mentality that mirror her academic strengths. Her ability to thrive in both arenas speaks to her exceptional work ethic, time management, and unwavering commitment to personal growth.

Even with her many responsibilities, Olivia remains humble and selfless. She continuously finds ways to contribute—whether through mentoring, community involvement, or being there for her teammates and classmates. Her presence strengthens our school community and leaves a lasting impression on everyone fortunate enough to know her.

Olivia is truly deserving of this recognition. Her character, kindness, and steadfast dedication to everything she does define what it means to be Senior of the Month. Lacey Township High School is a better place because of students like her, and I have no doubt she will continue to inspire others wherever her future takes her.

SENIOR OF THE MONTH

RYAN BREWER

The administration and faculty of Lacey Township High School are proud to recognize Ryan Brewer as our Senior of the Month for December 2025. Ryan represents the very best of our student body—an exceptional scholar, a dedicated leader, and a compassionate member of the school community.

Throughout his high school career, Ryan has consistently embraced and excelled in rigorous academic challenges. His course load includes numerous Honors and Advanced Placement classes, particularly within STEM fields, reflecting both his intellectual curiosity and strong work ethic. Ryan's sustained academic excellence has earned him a remarkable 4.25 cumulative GPA, annual High Honor Roll distinction, and membership in the National Honor Society.

Ryan's contributions extend well beyond the classroom. He is a proactive, dependable leader whose influence is felt across our school community. As a committed member of the Student Government Association, he demonstrates maturity, initiative, and a strong sense of responsibility. His leadership is equally evident on the athletic field, where he has been a valuable member of both the Varsity Football and Varsity Baseball teams. His ability to balance academics, leadership, and athletics is a testament to his discipline and character.

What truly sets Ryan apart is his unwavering commitment to service. He has dedicated countless hours to mentoring younger students, providing academic tutoring, and assisting in coaching youth athletes. His involvement in Student Government has been instrumental in coordinating successful blood drives and schoolwide events that benefit the greater community. Ryan approaches every role with enthusiasm, compassion, and a genuine desire to uplift those around him.

Ryan Brewer exemplifies the qualities we hope to instill in all our students—integrity, determination, leadership, and kindness. It is with great pride that we honor him as December's Senior of the Month. His accomplishments, character, and dedication make him an outstanding representative of Lacey Township High School, and we are confident he will continue to excel in all his future endeavors.
