Linda  
 Gerek  
 2026 Featured Artist

Linda worked as an art teacher with Virginia Beach City Public Schools for nearly 30 years before she retired and became a full-time artist. As an outdoor enthusiast, she often paints wherever she vacations and travels. Hiking, kayaking and camping all help her absorb what is around her. When she paints, Linda tries to capture and reflect her sense of connectedness with nature. Natural light and its constant changing effect create moments in time that inspire her.

Linda considers her art contemporary realism. She says the subject matter is realistic, but she strives to make it something more. Whether she is painting with oil, acrylic or watercolor, Linda hopes that what she sees and portrays in her work encourages viewers to look with appreciation and gratitude toward nature and see the environment with a fresh perspective.
