The District may, by action of the Board, and with the consent and approval of the Superintendent, extend the term of this Contract as permitted by state law.

1.2 **Tenure**. The Board has not adopted any policy, rule, regulation, law, or practice providing for tenure. No right of Tenure is created by this Contract. No property interest, express or implied, is created in continued Employment beyond the Contract term.

II. Employment

2.1 **Duties.** The Superintendent is the chief executive of the District and shall faithfully perform the duties of the Superintendent of Schools for the District as prescribed in the job description and as may be lawfully assigned by The Board, and shall comply with all lawful Board directives, state and federal law, district policy, rules, and regulations as they exist or may hereafter be amended. Specifically, it shall be the duty of the Superintendent to recommend for employment all professional employees of the District subject to the Board's approval. It shall be the further duty of the Superintendent to employ all other personnel consistent with the Board's policies. It shall be the further duty of the Superintendent to direct, assign, reassign, and evaluate all of the employees of the District consistent with Board policies and federal and state law. It shall be the further duty of the Superintendent to organize, reorganize, and arrange the staff of the District, and to develop and establish administrative regulations, rules, and procedures which the Superintendent deems necessary for the efficient and effective operation of the District consistent with the Board's lawful directives, the Board's policies, and state and federal law. It shall be the further duty of the Superintendent to accept all resignations of employees of the District consistent with the Board's policies, except the Superintendent's resignation, which must be accepted by the Board. The Superintendent shall perform the Duties of the Superintendent of Schools for the District with reasonable care, diligence, skill, and expertise. All duties assigned to the Superintendent by the Board shall be appropriate to and consistent with state law, Board policy, and the professional role and responsibility of the Superintendent.

2.2 **Professional Certification.** The Superintendent shall at all times during the term of this Contract, and any renewal or extension thereof, hold and maintain a valid certificate required of a superintendent by the State of Texas and issued by the Texas Education Agency and all other certificates required by law.

2.3 **Reassignment.** The Superintendent cannot be reassigned from the position of Superintendent to another position without the Superintendent's express written consent.

2.4 **Board Meetings.** The Superintendent or the Superintendent's designee shall attend all meetings of the Board, both public and closed, except for those closed meetings devoted to the consideration of any action or lack of action on the Superintendent's Contract or the Superintendent's salary and benefits as set forth in this Contract or the Superintendent's evaluation, or for purposes of resolving conflicts between individual Board members, or when the Board is acting in its capacity as a tribunal. In the event of illness or Board-approved absence, the Superintendent's designee shall attend such meetings. In accordance with section 11.051(a-1) of the Education Code, the Board shall provide the Superintendent an opportunity to provide verbal or written recommendation(s) and/or information as to each of the items of business considered and voted on by the Board at each Board meeting.

2.5 **Criticisms, Complaints, and Suggestions**. The Board, individually and collectively, shall refer in a timely manner all substantive criticisms, complaints, and suggestions called to the Board's attention, by employees, students or members of the public, to the Superintendent for review and appropriate action. The Superintendent will either refer such matter(s): (a) to the appropriate District employee or shall investigate such matter(s) and shall within a reasonable time inform the Board of the results of such efforts; or (b) to the appropriate complaint resolution procedure as established by Board policies. Substantive complaints include, without limitation, allegations of possible wrongdoing by staff and/or students, complaints of possible criminal behavior by staff and/or students, and complaints about personnel which, if true, would require action by the superintendent and/or administration. The Superintendent shall refer all substantive complaints from staff and/or third parties regarding a Board member to the Board President for review and action. If the complaint is about the Board President, the Superintendent shall refer the complaint to the next most senior non-implicated Board officer.

2.6 **Indemnification**. To the extent it may be permitted to do by applicable law, including, but not limited to Texas Civil Practice & Remedies Code Chapter 102, the District does hereby agree to defend, hold harmless, and indemnify Superintendent from any and all demands, claims, suits, actions, judgments, expenses and attorneys' fees incurred in any legal proceedings brought against Superintendent in the Superintendent's individual or official capacity as an employee and as Superintendent of the District, providing the incident(s), which is (are) the basis of any such demand, claim, suits, actions, judgments, expenses and attorneys' fees, arose or does arise in the future from an act or omission of Superintendent as an employee of the District, acting within the course and scope of Superintendent's employment with the District; excluding, however, any such demand, claim, suits, actions, judgments, expenses and attorneys' fees for those claims or any causes of action where it is determined that Superintendent committed official misconduct, or committed a willful or wrongful act or omission, or an act or omission constituting gross negligence, or acted in bad faith; and excluding any costs, fees, expenses or damages that would be recoverable or payable under an insurance contract, held either by the District or by Superintendent. The selection of Superintendent's legal counsel shall be with the mutual agreement of Superintendent and the District if such legal counsel is not also District's legal counsel. A legal defense may be provided through insurance coverage, in which case Superintendent's right to agree to legal counsel provided for him will depend on the terms of the applicable insurance contract. To the extent this Section 2.6 exceeds the authority provided and limitations imposed by Texas Civil Practice & Remedies Code, Chapter 102, it shall be construed and modified accordingly. The provisions of this Section 2.6 shall survive the termination of this Contract.

2.7 **Duties of Board/Governance.** The District is governed by the Board who, acting as a body corporate, (1) oversee the management of the district; and (2) ensure the Superintendent implements and monitors plans, procedures, programs, and systems to achieve appropriate, clearly defined and desired results in the major areas of District operations. Unless authorized by the Board, a member of the Board may not, individually, act on behalf of the Board. The Board may act only by majority vote of the members present at a meeting held in compliance with Chapter 551 of the Texas Government Code, at which a quorum of the Board is present and voting. The Board shall comply with state and federal law, District policies, procedures, rules, and regulations as they exist or may hereafter be amended.

III. Compensation

3.1 **Salary.** The District shall pay the Superintendent an annual salary as follows: $257,550. The annual salary shall be paid to the Superintendent in equal installments consistent with the Board's policies.

3.2 **Salary Adjustments.** At any time during the term of this Contract, the Board may, at its discretion, review and adjust the salary of the Superintendent, but in no event shall the Superintendent be paid less than the salary set forth pursuant to Section 3.1 of this Contract or as required by law, subject to any legal challenges by the Superintendent. Subject to and without waiving any Constitutional and/or other legal challenges by the Superintendent, the Superintendent acknowledges that the District may have certain rights pursuant to Education Code Sections 21.4021 and/or 21.4032.

3.3 **Other Benefits.** The District shall provide the following benefits to the Superintendent:

A. **Texas Teacher Retirement System.** For performance of Superintendent duties, the District shall supplement the Superintendent's salary by an amount equal to the Superintendent's portion of the member contribution to the Texas Teacher Retirement System ("TRS") during the Term of this Contract, including any extensions thereof. This salary supplement shall include both the retirement and TRS-Care parts of the TRS member contribution, as applicable but shall not be limited by Internal Revenue Code (IRC) §401(a)(17)(A). In other words, for purposes of calculating the amount of supplemental salary under this section, the supplemental salary shall be calculated as if the Superintendent entered the TRS System prior to September 1, 1996. This additional salary supplement for services rendered shall be paid to the Superintendent in regular monthly payroll installments and shall be reported as "creditable compensation" by the District for purposes of TRS, to the extent permitted by TRS.

B. **Expenses**. The District shall pay or reimburse the Superintendent for reasonable expenses incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract. The District agrees to pay the actual and incidental costs incurred by the Superintendent for travel, such costs may include, but are not limited to hotel and accommodations, meals, and other expenses incurred in the performance of the business of the District. The Superintendent shall comply with all procedures and documentation requirements in accordance with Board policies.

C. **Insurance and Other Benefits**. The District shall pay for hospitalization, major medical, life insurance coverage and all other employee benefits for the Superintendent under the same program or policy as provided to other employees of the District.

D. **Fuel**. The District shall provide fuel for the Superintendent's personal vehicle.

E. **Professional Growth**. The Superintendent shall devote the Superintendent's time, attention, and energy to the direction, administration, and supervision of the District. The Board, however, encourages the continued professional growth of the Superintendent through the Superintendent's active attendance at and participation in appropriate professional meetings at the local, regional, state and national levels. The Board shall encourage the use of data and information sources, and shall encourage the participation of the Superintendent in pertinent education seminars and courses offered by public or private institutions or by educational associations, as well as the participation in informational meetings with those individuals whose particular skills, expertise, or backgrounds would serve to improve the capacity of the Superintendent to perform the Superintendent's professional responsibilities for the District. In its encouragement of the Superintendent to grow professionally, the Board shall permit a reasonable amount of release time for the Superintendent as the Superintendent and the Board deem appropriate, to attend such seminars, courses or meetings. The District shall pay the Superintendent's membership dues to the American Association of School Administrators and the Texas Association of School Administrators, as well as other memberships necessary to maintain and improve the Superintendent's

professional skills. The District shall bear the reasonable cost and expense for registration, travel, meals, lodging, and other related expenses for such attendance and membership.

F. **Civic Activities**. The Superintendent is encouraged to participate in community organizations. The dues for the local Chamber of Commerce, and other membership dues as approved by the Board, shall be paid by the District.

G. **Supplemental Retirement Plan.** For each payroll period during the Term of this Contract, including any extensions thereof, the District shall add to the Salary of the Superintendent the amount necessary to contribute sixty percent (75%) of the maximum combined voluntary contribution amount allowable under Section 402(g) of the Code for a 403(b) and a 457(b) Plan, at the beginning of the Contract year, as indexed, including the age 50 catch-up, if applicable. One-twelfth of this amount shall be paid as a monthly salary deferral contribution, at the election of the Superintendent, to a plan established by the District under Section 403(b) and/or Section 457(b) of the Code ("Additional Salary"). In the event the Superintendent executes a salary deferral agreement in accordance with the requirements of Sections 403(b) and/or 457(b) of the Internal Revenue Code in at least the amount of the Additional Salary, the Additional Salary shall be paid as a salary deferral contribution ("Salary Deferral Contribution"). Under and pursuant to applicable Internal Revenue Service rules the Superintendent shall have the option to elect to receive the Additional Salary in cash rather than as a Salary Deferral Contribution. All such Salary Deferral Contributions contemplated herein shall be paid to a plan that is (i) established by the District under Section 403(b) and/or Section 457(b) of the Code; and (ii) available to all TRS members employed by the District. Such plans shall include investments as allowed under Sections 403(b), 403(b)(7) and/or 457(b) of the Code, respectively, and the investments for the Superintendent's accounts shall be solely at his discretion. The Superintendent shall always be 100% vested in his account under the 403(b) and/or 457(b) plan. The Salary Deferral Contributions contemplated herein shall be treated as salary deferrals under the Code and shall be reported as "creditable compensation" by the District for purposes of the Teacher Retirement System of Texas. No payments under this Section shall be made after the Superintendent's employment terminates.

H. **Personal, Sick Leave and Non-Duty Days**. The Superintendent may take, at the Superintendent's choice, the greater of (i) fifteen (15) days of vacation annually or (ii) the same number of days of vacation authorized by policies adopted by the Board for administrators on twelve-month contracts, the days to be in a single period or at different times. The vacation days taken by the Superintendent will be taken at such time or times as will not substantially interfere with the performance of the Superintendent's duties as set forth in this Contract. Accrued but unused vacation days shall accumulate and carry forward from year to year during the term of this Contract. The Superintendent shall be granted and may take, at the Superintendent's choice, the same sick, personal leave and non-duty days as authorized by Board policy for administrative employees who are employed under twelve-month contracts, the days to be taken in a single period or at different times. The Superintendent shall observe the same legal holidays as provided by Board policies for administrative employees on twelve-month contracts. The Superintendent shall be entitled to the use of and accumulation of personal and sick leave in accordance with state law and Board Policy, except that the Superintendent may use days in a single period or at different times. As set forth in this Contract, the Superintendent shall be compensated for any accrued but unused vacation, personal, sick and non-duty days at the end of each year of this Contract, up to thirty (30) days annually in the manner provided herein. Upon termination of his employment for any reason, the Superintendent shall be compensated for any remaining accrued but unused vacation, personal, sick and non- duty days. Such accrued but unused days will be valued at the per diem rate based on the Superintendent's then current TRS creditable compensation. The per diem rate used to value any accrued but unused personal and sick leave days in accordance with the terms of this paragraph shall be determined by dividing the then current TRS creditable compensation by 226 days. The compensation for such days as described in this Section 3.3H. shall be in the form of a non-elective employer paid contribution to the account of the Superintendent in the Executive 403(b) plan currently maintained by the District. If the amount of such contribution exceeds the limit for

contributions to the 403(b) plan for any year, the remainder of the contribution shall be made to the account of the Superintendent in the District's 457(b) plan. If the contribution exceeds the limits for both the 403(b) and 457(b) plans, then the remainder shall be carried over to the next calendar year and made as described herein. If the employment of the Superintendent has terminated before the next calendar year, then the contribution shall be made as a post-employment contribution to the 403(b) plan and any remaining amount shall be paid in cash.

I. **Technology**. The Superintendent shall maintain a personal account for mobile telephone service and shall not open an account in the name of the District. The Superintendent shall have total responsibility for payment of such personal account and the District shall have no obligation or responsibility related to said mobile telephone account. The District shall provide the Superintendent with other technology devices for the Superintendent's professional and personal use, consistent with Board policy and District practices. The Superintendent understands that information stored in his cell phone, computer or other device is subject to public disclosure if such information is related to the public business of the School District or to his duties as Superintendent. Notwithstanding the location of personal data on the cell phone, computer or other device, whether owned by the District or Superintendent, the parties agree that any personal or private information of the Superintendent contained on the cell phone, computer or other devices shall be deemed private and the Superintendent's sole property; provided it shall be the responsibility of the Superintendent to assert, and to bear any costs of asserting, privacy or other confidentiality privileges or rights as to any such data or information.

IV. Review of Performance

4.1 **Development of Goals**. The Board shall work collaboratively with the Superintendent each year to prepare a list of goals for the District. The Superintendent shall submit to the Board a preliminary list of goals for the District each year for the Board's consideration and adoption. The Superintendent and the Board shall then meet, and the Board shall approve or revise the list of goals. The Superintendent shall submit to the Board for its approval a plan to implement the goals. The Superintendent and the Board shall meet semiannually to assess the goals and may adjust or revise the goals either by action of the Board or upon recommendation of the Superintendent and approval of the Board. The goals approved by the Board shall always be reduced to writing ("District Goals") and shall be among the criteria on which the Superintendent's performance is reviewed and evaluated. The District Goals approved by the Board shall be specific, definitive and objectively measurable, to the extent feasible. The Board agrees to work with and support the Superintendent in achieving the District Goals.

4.2 **Time and Basis of Evaluation.** The Board shall evaluate and assess in writing the performance of the Superintendent at least once each year during the term of this Contract. The evaluation and assessment shall be reasonably related to the duties of the Superintendent as outlined in the Superintendent's job description and shall be based on the District's progress towards accomplishing the District Goals.

4.3 **Confidentiality.** Unless the Superintendent expressly requests otherwise in writing, the evaluation of the Superintendent shall at all times be conducted in executive session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with their respective legal counsel.

4.4 **Evaluation Format and Procedures**. The evaluation format and procedure shall be in accordance with the Board's policies and state and federal law. If the Board determines that the performance of the Superintendent is unsatisfactory in any respect, it shall describe in writing, in reasonable detail, specific instances of unsatisfactory performance. The evaluation shall include recommendations as to areas of improvement in all instances where the Board deems performance to be unsatisfactory. A copy of the written evaluation shall be delivered to the Superintendent. The Superintendent shall have the right to make a written response to the evaluation within thirty (30) days of receipt of the written evaluation from the Board. That response shall become a permanent attachment to the evaluation in the Superintendent's personnel file. Within sixty (60) days of the delivery of the written evaluation to the Superintendent, the

Board shall meet with the Superintendent to discuss the evaluation. The Board shall devote a portion of, or all of, one executive session annually to a discussion of the working relationship between the Superintendent and the Board. If the Board deems that the evaluation instrument, format, and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, such modifications must be adopted with input from the Superintendent and the Superintendent shall be provided a reasonable period to demonstrate such expected performance before being evaluated.

V. Renewal or Nonrenewal of Employment Contract

5.1 **Renewal/Nonrenewal.** Renewal or nonrenewal shall be in accordance with Board policy and applicable. law.

VI. Termination of Employment Contract

6.1 **Mutual Agreement.** This Contract shall be terminated by the mutual agreement of the Superintendent and the Board in writing, upon such terms and conditions as may be mutually agreed upon.

6.2 **Retirement.** This Contract shall be terminated upon the retirement of the Superintendent.

The resignation must be addressed to the Board and filed not later than the 45th day before the first day of instruction of the following school year.
