The Board President shall also have the authority to direct the Superintendent to include on the preliminary agenda any item he or she wishes to be included. [Policy BE \(LOCAL\)](#)
3. Before the official agenda is finalized for any meeting, the Superintendent shall consult with the Board President to ensure that the agenda and the topics included meet the Board President's approval. In reviewing the preliminary agenda, the Board President shall ensure that any topics he or she, the Board, or at least two Board members have timely requested to be addressed are either on that agenda or scheduled for deliberation at an appropriate time in the near future. The Board President shall not have authority to remove from the agenda a subject requested by at least two Board members without specific authorization from those Board members. [Policy BE \(LOCAL\)](#)
4. A Trustee may speak to the Board President to request an item be added to the agenda. The President may act as the "second" and direct the Superintendent to place it on the agenda.
5. In circumstances where the Board President determines that placing a trustee-requested item on the immediate agenda would conflict with the school calendar, the flow of business, or require additional preparation to allow for meaningful discussion, the President may, in consultation with the Superintendent, schedule the item for a future meeting. In such cases, the President will provide notice to the requesting trustees with the rationale and anticipated timeline. If the requesting trustees disagree with the delay, the item may be presented to the full Board for consideration at the next regular meeting.

B. Timely Notification and Information

2. Board members will receive relevant supporting documents for the upcoming meeting at least three (3) business days prior to the meeting.
3. Information will be available to each Trustee online through TASB BoardBook Premier and by hard copy (upon request). Board Members are encouraged to

advise the Board President and/or Superintendent of questions or concerns on agenda items 48 hours before the called Board meeting.

4. For more information about agenda preparation, see [Policy BE \(LOCAL\)](#).
5. The Superintendent will provide information to Board members in preparation for the regular meeting.

C. Consent Agenda

1. The consent agenda shall include items of a routine and/or recurring nature unless the item legally requires a stand-alone vote.
2. The Superintendent, with the Board President's approval, shall determine which items qualify for inclusion in the consent agenda.
3. All consent agenda items shall be acted upon by one vote.
4. A Board member may request that an item be pulled from the consent agenda for individual discussion and consideration.
5. Board members requesting an item be pulled from the consent agenda should contact the Superintendent or Board President as soon as possible after the agenda is released and prior to voting on the consent agenda.

D. Meeting Dates

1. The Superintendent will develop a Board calendar that will include regular and workshop meeting dates of the Board of Trustees.
