

Rejuvenating NGSS: Three-Dimensional Instruction & CAST Alignment

For Elementary, Middle, and High School Teachers, Site and District Administrators, & Coaches

Training sessions provide full-day, grade-span-specific workshops.

Participants will engage in:

- **Modeling of Three-Dimensional NGSS Instruction:** Experience lessons integrating SEPs, CCCs, and DCIs - the heart of NGSS.
- **Performance-Based Assessment Design:** Create performance assessments aligned to 3D instruction.
- **CAST-Aligned Assessment Exploration:** Analyze sample items and how 3D learning is measured on CAST.
- **Cross-Disciplinary Integration (Elementary):** Identify and highlight natural intersections between NGSS, math, and ELA for cohesive and efficient learning instruction and experiences.
