

Consolidated School Improvement Plan 2025-26

Title I Part A, Schoolwide, Title I, Part A Targeted Assistance, and School Improvement

This template meets the requirements of Title I, Part A, Schoolwide Programs, Title I, Part A Targeted Assistance Programs, OSSI School Improvement Plans. All schools in WA State must have an annual school improvement plan as per [WAC 180-16-220](#). The plans must be data driven, promote a positive impact on student learning, and include a continuous improvement process with ongoing monitoring, adjusting, and updating of the plan.

Section 6: School Improvement Plan (Component #2 – Evidence-Based Interventions)

Note: In past templates, Evidence-Based Interventions/Well-Rounded Educational Strategies have been described in components 2 (Reform Strategies: the evidence-based strategies and activities to address the needs expressed in the CNA) and 3 (Activities to Ensure Mastery: the academic and non-academic practices that will be used to positively impact student learning, especially for the lowest achieving students).

Using the guiding questions and tables below, identify your highest priority data-based improvement goals and evidence-based interventions (activities, practices, or strategies) for SY 2025–26. The goals should be based off WSIF results, additional school-level data compiled in your Comprehensive Needs Assessment, and your evaluation and identification of resource inequities. Please refer to the [Step-by-Step School Improvement Planning and Implementation Guide](#) for more details and examples of SMARTIE Goals, short- and long-term data sources that may be used in the “Data Measures” column for support, and other helpful planning aids.

A **SMARTIE Goal** is specific, measurable, attainable, realistic, time-bound, inclusive, and equitable and should answer the questions:

- What will be improved?
- By how much?
- By when?
- And, for whom/what?
- How will we know if progress toward the goal is being made?
- When and how often will data be checked for progress?

Questions to ask and answer when addressing inclusion and equity:

- Will achieving this goal build success and/or shrink disparity gaps for specific student groups in our learning community?
- Does the goal ensure that traditionally marginalized or historically unserved/underserved students have equitable access, and is there an element of fairness and justice inherent in the goal?
- If the outcome specified in this goal isn't specifically promoting equity and inclusion, is the process of achieving this goal going to improve equity and inclusion for all students? How?
- Who have we consulted to check for unintended negative consequences? Who needs to be consulted?

Note: *This process identifies the strengths and weaknesses impacting student performance. It also sheds light on the needs of the entire program. All students benefit from the interventions and services made possible through a schoolwide program; however, schools should place emphasis on strategies that help learners struggling to meet state standards.*

Section 6: School Improvement Plan (Component #2 – Evidence-Based Interventions)

Note: In past templates, Evidence-Based Interventions/Well-Rounded Educational Strategies have been described in components 2 (Reform Strategies: the evidence-based strategies and activities to address the needs expressed in the CNA) and 3 (Activities to Ensure Mastery: the academic and non-academic practices that will be used to positively impact student learning, especially for the lowest achieving students).

Note: For schools operating a Title I, Part A, Targeted Assistance Program, indicate within your goals how you will address the needs of those students served to satisfy the requirement of Component 3 – Practices and Strategies.

SY 2025–2026 SMARTIE Goal #1: In the 2025–2026 SY, we will reduce the number of physical assaults by 25% from 87 incidents to about 65 through SEL lessons, calming room resources, AIM curriculum, restorative justice, and community circles.

Our goal is to ensure that all students attend school regularly by maintaining an average daily attendance rate of 92% or higher. We also aim to reduce chronic absenteeism by continuing to meet weekly, promoting the importance of regular attendance through family engagement, student incentives, and early intervention strategies.

*Instructions: Use the empty rows in the table below to detail evidence-based interventions (activities, practices, or strategies) supporting your SMARTIE Goal #1: answer all prompts in each column for each evidence-based interventions (activities, practices or strategies) described. ***Each evidence-based intervention needs to support the larger SMARTIE Goal.** (Data +Evidence-Based Intervention+ Data to Measure Effectiveness and Impact = Support of SMARTIE Goal)*

K–2 students will be measured by fall to spring DIBELS and Lectura data, 3rd grade will take a Fall IAB and use this to compare with SBA scores in the Spring, 4th and 5th, will be measured by SBA spring to spring scores.

Section 7: 2025–2026 Mid-Year Reflection Questions

The following section is a reflection on mid-year findings, as documented as documented in the SMARTIE goal tables above, and to inform decision-making about progress toward the achievement of priority goals for the remainder of the school year. Use of these questions can help show the impact of current high-leverage evidence-based interventions (activities, practices, or strategies) and/or provide data-informed adjustments within implementation cycles.

1. In SY 2025–2026, how have you identified equity needs for specific student groups, from the beginning of the year to the middle, (particularly when it comes to eliminating opportunity gaps and supporting those students in your learning communities who are most marginalized)? What specific data did you use to inform your decision making? How did you respond to these needs?

Click or tap here to enter text.

2. Share an example of your progress in narrowing opportunity gaps. What strategies will the school implement, or continue to implement, to enhance equity between now and the end of the year?

Click or tap here to enter text.

3. Which evidence-based interventions (activities, practices, or strategies) (including WSIF Tier 1-Tier 3 Plus) identified in your SIP are having the largest impact on positively improving student outcomes and your high-priority data-based SMARTIE goals? Describe what contributes to the success of this work.

Click or tap here to enter text.

Section 8: 2025–2026 End-of-Year Reflection Questions

This section is a summary reflection on end-of-year findings, as documented as documented in the SMARTIE goal tables above and can be used to inform decision-making about developing SMARTIE Goals and evidence-based interventions (activities, practices, or strategies) for your 2026–2027 SIP.
