FRAKES SCHOOL CENTER MISSION STATEMENT

It is our mission to assist our students in acquiring the tools to develop and achieve academic success. We will seek to create a challenging learning environment that encourages high expectations for success through development-appropriate instruction that allows for individual differences and learning styles. Our school promotes a safe, orderly, caring, and supportive environment. Each student's self-esteem is fostered by positive relationships with students and staff. We strive to have our parents, teachers, and community members actively involved in our students' learning.

Vision Statement

Help students become productive and responsible citizens who are adaptive, lifelong learners.

ACADEMIC AWARDS

All Primary and Intermediate students who achieve the Honor Roll and Principal's List will receive recognition every six week grading period. Honor Roll is determined by the student receiving all "A's" and "B's" all year. Principal's List is determined by the student receiving all "A's" all year. Trophies are given to the students at each grade level who receive the following specific Academic Awards: Math, Social Studies, Science, Writing, and Reading. These academic awards are based on the final averages of each content area, class participation and good citizenship. An Accelerated Reading Award is granted each six weeks for all students who are reading and completing the test. At the end of the school year, each grade level will have an Accelerated Reading Award.

Perfect attendance awards are given to students who have been counted as present every day of a six week grading period and the complete school year for a full day. Tardies are not included unless they add up to an exorbitant amount. Attendance awards are given to students who only miss a half of a day for the six weeks and less than three days for the entire school year.

ATHLETICS

Basketball

Students in grades 2-8 are allowed to try out for the basketball team. There are three teams: A, B, and C. Students must have a ride to practices and to the games. Students who participate in this extracurricular activity must keep grades at the minimum of an overall “C” average with absolutely no “F’s”. Discipline issues may also cause a student to lose playing time.

Football

Football will be offered this year for grades K-8 students. This is through the county and not an individual school team. One county team is formed from students from every school. The team will compete with other teams in our region. Parents are responsible for transportation and sign-ups.

Archery

Frakes School Center offers Archery for grades 4-8. Students compete across the region. All archery equipment is provided as well as transportation to matches. Parents are responsible for practice pickup. Students must maintain an overall “C” average with no “F’s” to participate. Discipline issues may also cause a student to lose playing time.

Cheerleading

Frakes School Center will accept cheerleaders from grades 4-8. Cheerleaders will be expected to follow a cheerleading constitution (code of conduct with demerit system) set forth by the Site Based Decision Making Council of Frakes School. Cheerleaders must maintain a “C” average with absolutely no “F’s.” Cheerleaders must have transportation to the games. Absences from games will be addressed in the cheerleading constitution.

K-3rd grade will be able to perform with the Boogie Bears.

As a directive of the Bell County School District Superintendent, the process utilized for the selection of cheerleaders will ensure that cheerleading try-out judges are impartial *and* **do not reside in Bell County**.

ATTENDANCE POLICY

CO-CURRICULAR

Field trips must address school curriculum and academic content.

COMMUNITY / PUBLIC RELATIONS

Frakes School Center will have Open House the first and fourth six weeks grading period. A Frakes School newsletter will be published at least three (3) times a year. The publication will be printed on colored paper so parents will recognize the green paper as the school newsletter. Parents will also be informed of events and activities through the school Facebook page. Through the Infinite Campus all-call system, parents will be informed of events and activities for students. Please be aware that you will receive a call from the school phone number.

COMPREHENSIVE SCHOOL IMPROVEMENT PLAN

The Frakes School Center Improvement Plan consists of multiple goals concentrated around and including increasing number of proficient and distinguished scores and decreasing the number of novice scores particularly in math and reading. Gap groups will be a focus in these areas. Also, getting students’ college and career ready is a long term goal for the district.

To address these goals in math and reading the school implements Success for All Reading program for K-8th grades, and has added preschool as well. Math in Focus/Calendar math is implemented to address math in grades K-8th.

Additionally, a focused PAW class period for primary, intermediate, and middle school classes is maintained. In primary and intermediate, the PAW class is content specific based on students MAP scores. Programs such as, UFLI, Reading Mastery, Corrective Reading and Corrective Math, Kahn Academy and IXL will be used for remediation and practice. Middle school students will also be placed in PAW classes based on MAP scores but will also be given an opportunity for Enrichment classes based on if they are at grade level on MAP.

COUNSELING SERVICES

Frakes School Center has a guidance counselor available to provide services and programs for students. Some of the services are:

Those students will have levels of counseling based on their level.
