Achieve Your Dreams in Mapleton!

At Mapleton, we believe every child deserves a high-quality education grounded in rigor, relevance, strong relationships, and meaningful choice. As a full District of Choice, we're dedicated to not only what students learn—but how they learn.

Mapleton Public Schools is doing bold work in thinking critically about what children need to how to best organize schools to serve our community. Academic growth is on the rise, with more students showing average to above average progress on nationally recognized assessments. Dropout rates are down, graduation rates are up, and so is enrollment. We continue to see more families from surrounding districts choosing Mapleton because of our dedication to excellence and college and career-going culture. **Discover why you belong in Mapleton!**

Capital Improvements

Our community trusts and supports us as a partner in this important work. Since 2009, our community has voted "yes" six times to improve staff salaries, build new school buildings and support facility renovations and maintenance, improve safety and security in all schools, improve access to technology, expand career and technical education programs, improve mental health services and meet other important priorities.

Since 2010, almost all Mapleton schools have been rebuilt or renovated. The district has also received nearly $70 million in grants from the state's Building Excellent Schools Today program to maximize community resources. Mapleton is down to the "Final Four" buildings to be replaced:

- **Meadow Community School:** Opened Winter 2025!
- **Explore Primary (PK-1):** Opening in 2026-27
- **York International School** and **Achieve Academy** dates are coming soon!
