Application for Admission

For students entering the 9th grade in the fall of 2024

Early Decision Submission Deadline: March 8, 2024
Regular Decision Submission Deadline: April 28, 2024

Part 1: School Overview

Early College High School (ECHS) and Pathways in Technology Early College High School (P-TECH) are innovative educational opportunities afforded to students by a partnership between Bastrop Independent High School (BISD) and Austin Community College (ACC).

The Colorado River Collegiate Academy (CRCA) is an ECHS. Students attending CRCA take a rigorous course of study enabling them to earn an Associate of Art or Associate of Science degree from ACC at the same time they complete their high school diploma. CRCA offers a unique high school experience focused on academics and combines small class sizes with a cohort orientation.

P-TECH Academy students attend a comprehensive high school (BHS or CCHS) and take classes at ACC starting in 10th grade. P-TECH programming offers work-based learning opportunities each year in partnership with local businesses. Students earn industry-based certifications and an ACC Level I certificate. P-TECH program courses are cohorted to the extent possible.

Bastrop HS hosts the **P-TECH Health Science Academy** - key partner: Ascension/Seton Hospitals
Cedar Creek HS hosts the **P-TECH Advanced Manufacturing Academy** - key partner: Yerico Mfg.
