

Colorado River Collegiate Academy

Your Future, Our Focus.

Discover why Colorado River Collegiate Academy (CRCA) is named #1 in Bastrop Independent School District High Schools by U.S. News & World Report (2024).

Through the dynamic partnership between Bastrop Independent High School (BISD) and Austin Community College (ACC), you can achieve both your high school diploma and an Associate of General Studies Liberal Arts or Associate of General Studies Science degree simultaneously. With a challenging curriculum, small class sizes, and a supportive cohort-oriented approach, our focus is on your academic excellence.

Top Benefits

- Dedicated teachers work with each student in small class sizes.
- Students experience a comprehensive curriculum.
- BISD students attend at no cost.
- Transportation is provided to CRCA and ACC.
- Extra-curricular activities include clubs, honor societies, and more.

Admission Criteria

At CRCA, the program is limited to 50 students per cohort. There are no testing or knowledge prerequisites. To qualify for the four-year program, you must meet the following criteria:

- Be a rising BISD freshman (there is no cost to BISD students, covering dual credit classes, supplies, transportation, and fees).
- Attend Summer Bridge Program in June with site visits, guest speakers, program preparation, and team building.

Academic Outcomes

At CRCA, you can attain:

- A high school diploma with STEM and/or Arts and Humanities endorsements.
- Achieve the Distinguished Level of Achievement.
- Pursue and earn an Associate's Degree in General Studies Liberal Arts or General Studies Science.
- Complete the first two years of a Bachelor's degree.
