Gym Class

Gym will be used to teach students about different types of athletic events from around the globe. Students will learn the fundamentals of multiple games and will practice the appropriate way to carry themselves on and of the court or playing field. They will practice social emotional skills through competition and identify the origins of their different activities.

Cooking

Students will be exposed to new recipes from a variety of cultures. They will be using fresh and local ingredients to create multiple meals and dishes of their choice. Students will be responsible to manage a weekly budget to buy ingredients from local markets and grocery stores and learn the basics of kitchen safety.

Crochet

Do you love creating cool things with your hands? Join crochet, where you will learn how to make your own colorful scarves, hats, or even cute little animals—all with just a hook and some yarn. Whether you're a beginner or tried crochet before, this relaxing class will help you learn new skills, make friends, and create amazing projects. Come join the fun!

Chess Club

Join us for a fun and engaging after-school Chess Club open to all skill levels—from beginners learning the basics to experienced players looking to sharpen their strategies! Students will explore classic tactics, practice good sportsmanship, and challenge their peers in friendly matches. Whether you want to improve your game, meet new friends, or just enjoy a calm, thoughtful activity after school, Chess Club is the perfect place. Come think, play, and grow with us!

Music Club

Do you love music and want a space to practice and learn? In the music club you will have the chance to jam out on piano, guitar, ukulele, and other instruments. In the music club we will learn pop songs and collaborate on playing them. In this space you can try out instruments or play the ones you already know!

YWCA Lowell Restorative Justice Art

Join us in helping to create safe and welcoming spaces for all. Share thoughts and ideas surrounding Restorative Justice. Experiment with various art mediums and engage in expressing your ideas and values through art.

Arts & Crafts

Join Arts & Crafts class and explore your creativity in a fun, relaxed environment! Each week students will experiment with different materials and techniques—such as painting, drawing, collage, seasonal crafts and much more! Activities are designed to encourage teamwork, imagination, and imagination!
