

AI-Use Attestation Statement

Applicant Certification Regarding Use of Generative Artificial Intelligence

I certify that the materials I am submitting as part of my application consist of the following six documents:

- Letter of application
- Resume
- Statement of educational philosophy
- Transcripts (true photocopies are acceptable)
- Three references (including email addresses and phone numbers)
- This signed attestation

I understand that the employer requires disclosure of any use of generative Artificial Intelligence in drafting, editing, or developing the content of any of the above documents.

I. Disclosure of AI Use

I have indicated for each of the five required application documents whether generative Artificial Intelligence was used in any way during composition. This includes drafting, rewriting, editing, grammar improvement, summarizing, or generating ideas.

II. Identification of AI-Generated Content

If generative Artificial Intelligence was used for any part of a document, I have provided an unambiguous and precise indication of which segments contain AI-generated words or passages. This includes page numbers, paragraph numbers, or highlighted text brackets that clearly identify the AI-generated sections.

III. Identification of AI Tool(s) Used

For each document in which generative Artificial Intelligence was used, I have disclosed the specific AI tool(s) or platform(s) used. Examples include ChatGPT, Google Gemini, Claude, GitHub Copilot, and other similar systems.

IV. Extent of AI Contribution

For each document in which generative Artificial Intelligence contributed content, I have described the extent of that contribution. This includes a brief explanation of whether AI was used for idea generation, rewriting, formatting, or producing complete sentences or passages.

V. Accuracy and Honesty

I understand that false or incomplete disclosure regarding the use of generative Artificial Intelligence may disqualify me from employment consideration, or may be grounds for withdrawal of an employment offer.

VI. Applicant Signature

I affirm that the statements above are true and complete to the best of my knowledge.
