

District Update

Livonia Public Schools

December 15, 2025

Learning & Growing...

Rosedale 2nd graders enjoyed “Book Tasting” in class!

Learning & Growing...

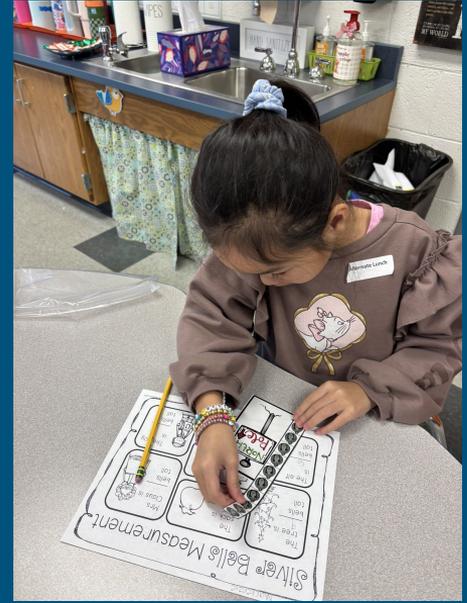

Recess is still fun when the weather is frigid! Cooper students have a blast during indoor recess!

Learning & Growing...

LCTC Construction Trades students wrapped up their masonry unit with real-world techniques!

Learning & Growing...

Coolidge Elementary students have a little holiday cheer to help them learn measurements!

"A Nightmare Before Break"

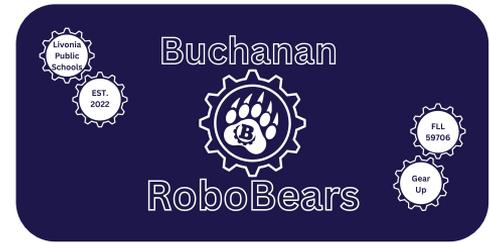

Our LPS middle schoolers had an amazing time at the "A Nightmare Before Break" event hosted at Emerson!

BUCHANAN

ROBOBEARS

The Unearthed season for FLL was so much fun for the Buchanan RoboBears! They learned to work on a team, do research, code robots, problem solve, and even made new friends. They worked hard all season to achieve goals together and they did just that. They did a wonderful job presenting their innovation project to the judges. They did a great job on the 4 robot game matches, scoring 235 on their last run, which was not far behind the top score. A “shout out” to our parent volunteer/mentor for working with the kids the whole season! Thank you to our Buchanan Community and LPS for all of your support!

Cleveland RoboEagles

2025 season

The Cleveland RoboEagles recently competed at our FLL Robotics Competition! They worked so incredibly hard over these past few months and their hard work paid off! Cleveland got to compete in 4 matches with their robot. Each match became even more successful than the last! The Cleveland RoboEagles prepared a presentation for the judges and were able to show their solutions to a common problem that archeologists have while excavating artifacts! The Cleveland RoboEagles showed teamwork, innovation, and determination. They had so much fun showing the judges what they had accomplished over these past few months. We are so proud of them! They were excited to represent Cleveland and Livonia!

Hoover

RoboRockets

Hoover RoboRockets 2024

Congratulations to our Hoover RoboRockets team for an outstanding season! Lego League is more than just running a robot. Our team worked hard to build, code, and research an innovative project. We were thrilled to celebrate the team's hard work and creativity, culminating in a 30-minute presentation on our "Design and Prototype of an Exosuit and Carrying Cradle". Additionally, a strong finish in our robot runs showed our impressive technical abilities and teamwork. Highlights of our season were learning from one another and working together. This success is a testament to the dedication of each team member, and we couldn't be more proud of their achievements! Thank you to our Hoover community for supporting our program.

Niji-Iro RoboCranes 2025

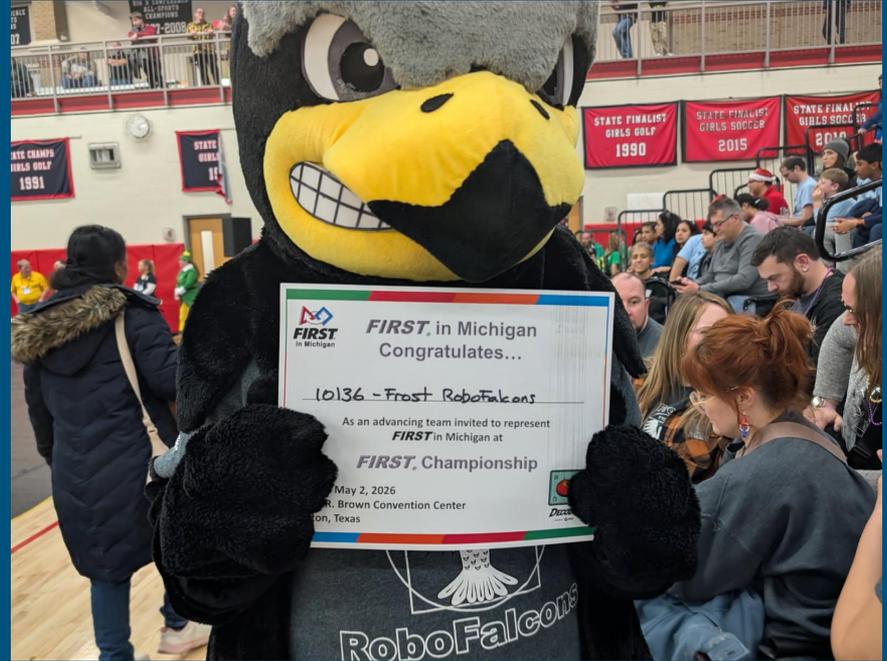

Congratulations on your achievement! Our team won 2nd place in the Core Values category. We earned this award through everyone's teamwork. We learned about archaeology, conducted research and shared new ideas with each other.

Our team also worked together to improve the robot's coding and tried many creative solutions as a team. Even when things didn't go well, our team never gave up and kept going until the very end. We encouraged each other, shared ideas, and kept trying new solutions.

Thanks to everyone's effort and positive attitude, we were able to finish strong and grow as a team.

Frost RoboFalcons Head to States!

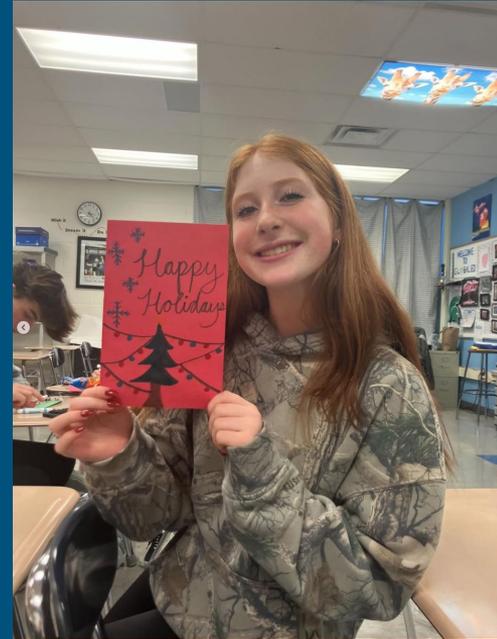

Congratulations to the Frost RoboFalcons for qualifying for the World Championship this spring in Houston, Texas during its weekend competition in Grand Blanc!

Merry and Bright Parade

The 2025 Livonia Merry and Bright Parade had a huge LPS turnout!

Global Ed Cards

Global Ed students at Stevenson hosted multiple card-making sessions for fellow students, with the finished cards to be distributed to the community for the holiday season!

Hayes Haul

The Franklin baseball team made a fun delivery to Hayes, dropping off donated toys!

Franklin Choir Spreads Cheer!

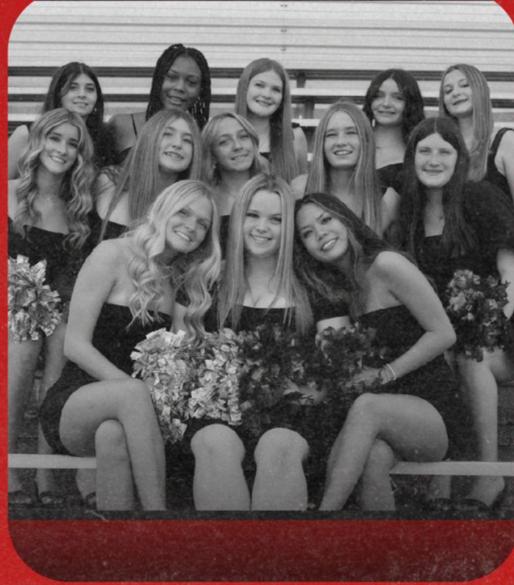

Franklin's Bel Canto Choir brought holiday cheer to Central Office today, as part of their annual holiday community tour! Thank you!

Winter Concerts!

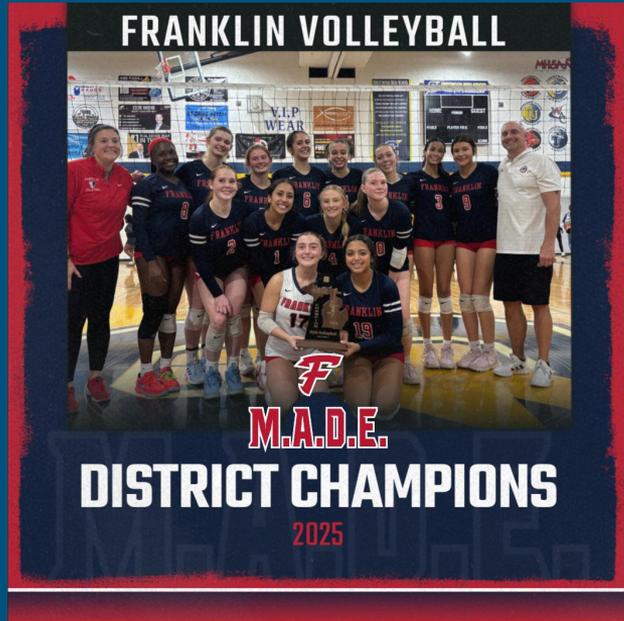

December is all about musical and holiday performances at our schools! Pictured here are CAPA's Dance Showcase and Frost's Band!

Pom High Kick

Congratulations to all of our LPS pom teams that performed at this year's High Kick Competition!

Volleyball District Champs

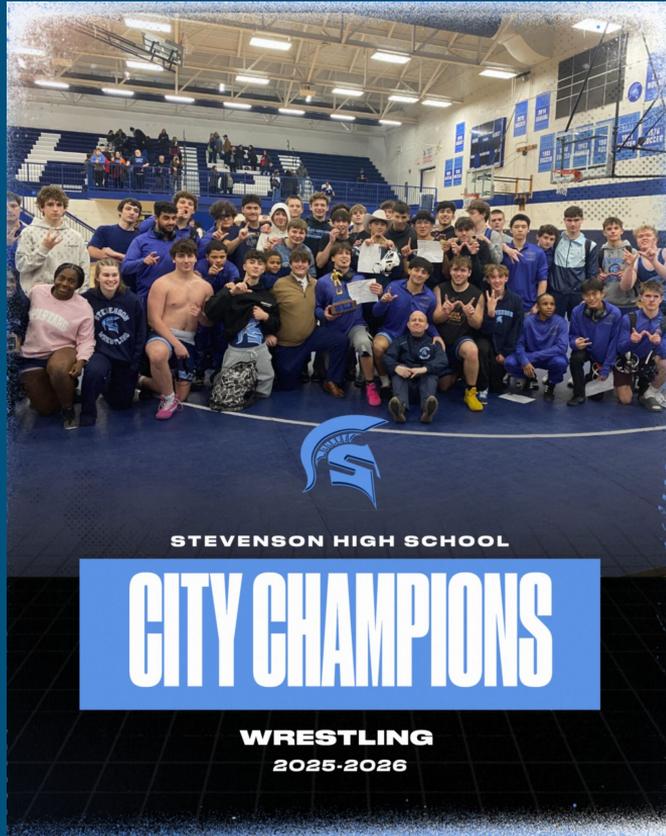

Franklin's Varsity Volleyball team earned the title of MHSAA District Champions!

CHS Bowling Success!

Congratulations to the Churchill Girls and Boys bowling teams on a successful "Rocket Baker Blast Off" tournament!

SHS Wrestling Success!

Congratulations to
Stevenson Varsity
Wrestling on being
named City Champs!

With Many Kudos!

kudos!
