

2026-2027 Junior Course Selection Worksheet – Students complete an Academic Plan each school year in Californiacolleges.edu. This document is used to help students understand which classes are available at each grade level. For new students to Granite Bay who do not have access to enroll online, please use this sheet and the Granite Bay Course Catalog to help you make your selections for the following year.

Directions: Choose classes below to meet Graduation and a-g Requirements. Elective classes and Program classes are on side 2. Juniors **must take** English and History and are recommended to take Math & Science. Please select the appropriate level for these classes and 5 other classes. Mark 8 classes, Zero period classes are in addition and do not replace. 5 alternates must also be written on this worksheet.

We have reviewed the course selections and alternates for the next school year. If I am signing up for a class with an application, I will fill out the required documents and will submit by the posted deadline. We understand that the courses must be carefully selected as the master schedule is created from the student course requests. Students may not receive their first choices if changes are made after this form is submitted.
