Good Things

Student Issues

(this category is for issues pertaining to students on a broad level; do not include identifying info for individual students)

- Tiffany is holding a time management/organizational skills lunch-bunch for selected 9th-grade students on Wednesday, 10/01. They will need to be released from 3rd period 5 minutes early that day. 9th grade teachers-please check the 9th Grade PLC/RTI notes for the list of students to see if you have them during 3rd period. (You also received this list in an email.)
- Tiffany contacted home for all failing students and recommended signing up for BTB and or attending tutorials. She also sent the tutorial schedule to all parents through parent square.

If a student does not have a device because they forgot it at home, please send them to office to get a loaner. You do not need to contact Memory for this.

If a student's device is not working and may need to be switched out, then send Memory an email. If they need a loaner in the meantime, then you please just send the student to the office to get a loaner. I hope this clears up some confusion!

- Student bathroom use-if they are gone more than 5 minutes, send Martin or Memory a text or email to check on them.

Teacher Issues

From Martin: Grades *must* be submitted by the deadline for the six weeks grading period (4:30 on the last day of the six weeks). No excuses. This is very important for UIL regulations.

From Memory: Spot Checks need to be completed during the 2nd period today after the drills. Here is the spreadsheet for you to complete. Here are instructions

Please join PTSA! They really help our school with scholarships, meals for teachers, and beautifying

our campus.

Campus Issues

Hispanic Heritage Month is from 9/15 to 10/15. In order to celebrate, students in a variety of organizations will help decorate our campus and we are holding a school-wide art showcase. Please encourage your students to contribute their art work. Stay tuned for other possible activities or suggest some yourself! (Thanks to Jonathan for getting this going!)

Deirdre's ethnic study students and Jonathan's civil rights & civil liberties students will work on crafting short morning announcements related to Hispanic culture and history. Also, many students seem quite excited to contribute! Those short additions to morning announcements will likely start early next week.
