Hello CRCA students!

I hope you are having a great semester! Friendly reminder -- my name is Devon Miller and I am your ACC advisor. I am reaching out because we have reached the midpoint of the semester and that means...

It is time for mid-semester advising for your ACC classes! This semester, you will fill out a Google Form with your current ACC grades so that your high school counselor and I can check-in on your progress (your counselor and I will be the only ones with access to these grades). This is also a great opportunity for you to get an idea of how you are progressing in your courses. If you are unsure how you are doing in your classes, please check your Blackboard and/or talk to your professor.

Here is the Google form: ACC Mid-Semester Reporting Form.

Follow the instructions on the form to ensure your information is captured correctly. Please use your ACC email address to fill out the form.

This form must be completed by **11:59 pm on Sunday, October 12th**. If you do not complete the form, you may receive a hold on your account that will prevent you from registering for spring courses.

It is also important that you are honest about your progress in your courses -- you will not get in trouble if you are not doing well. We are here to help but we can only do that if we know you need it!

Please reply back if you have any questions!

Thanks,
Devon
