McMinnville, Tenn., December 18, 2025 - The Tennessee Department of Education has released School Letter Grades for the 2024-2025 school year, and Warren County Schools is pleased to announce that five district schools earned B letter grades, reflecting steady academic progress and continued growth across the district.

The following schools earned a B for the 2024-2025 school year:

“We are proud of the positive trajectory we continue to see in Warren County Schools,” said Director of Schools Dr. Grant Swallows. “Earning five B letter grades this year reflects the intentional work happening in our classrooms and the shared belief that our students can achieve at high levels. On the heels of being named an Advancing District for the second year in a row, these grades reinforce that we are on the right path. While we celebrate this progress, we remain focused on the work ahead and on ensuring that every student in Warren County has the opportunity to grow and succeed.”

Warren County Schools will continue to monitor academic progress closely and refine instructional strategies to support sustained growth for all students. The district remains committed to its mission as it works toward even stronger outcomes in the years ahead.
