Re: CSUSB POLICE DEPARTMENT ANNUAL ACTIVE SHOOTER TRAINING EXERCISE

The California State University, San Bernardino Police Department, will host its annual multi-agency active shooter field training exercise (FTX) on **Thursday, December 18, 2025**. The exercise is designed to provide an overview of innovative tactics, tried-and-true techniques based on lessons learned, and train collaboratively with our inland regional partners to respond to, and address an active shooter incident within a campus environment.

Furthermore, this training exercise will provide a historical overview of the roles and responsibilities, associated with active shooter response, to include, but not limited to, single officer response, working in a team configuration, and officers will be able to demonstrate appropriate Active Shooter Response tactics and Hostage/Barricade tactics for initial responders.

We cordially invite Victor Valley Union High School District Police Department (VVUHPD) to join this year's training session. Check in begins at 7:30 a.m. and training begins at 8:00 a.m.
