Graduation Requirements Policy

2025-2026

Credit Requirements

A credit is defined by the amount of time a class meets within our schedule. The day is broken into 8 forty-five-minute instructional periods. Every period results in .5 credit for the year overall.

A student is required to accumulate 32 credits over 4 years to graduate.

The following credits are required in the following content areas to graduate.

- English Language Arts - 4 credits
- Mathematics - 4 credits
- Science - 4 credits
- History and Social Science - 2 credits
- Physical Education - 2 credits

In addition to the above, the following courses are required:

- Chapter 74 Approved CTE program - 14 credits
- Career Technical Enrichment - 2 credits
