RESURRECTION COLLEGE PREP

Student E-Learning Plan SY 25-26

Bandits — let's get you ready for e-learning days!

Student E-Learning Directives

If inclement weather (or another circumstance) requires remote learning, we want you to know exactly what to expect. This structure is designed to help you stay organized, engaged, and on track.

What to Expect on an E-Learning Day:

- You will have 3-4 class periods, following our Red/White Day rotation.
- Teachers will provide live instruction via Google Meet and guided learning, along with independent practice.
- You are expected to be online, present, and engaged during each scheduled class.
- All assignments are due by 11:59 p.m. unless your teacher states otherwise.
- Check Schoology by 8:00 a.m. for your class schedule and materials.

The schedule below is designed to help you stay on track, maintain routine, and keep learning moving forward, even when we're not in the building. Review the schedule now so you know what to expect and can be ready when an e-learning day is announced!

Time (60-Minute Periods)	Red Days	White Days
8:20 - 9:20	R1	W5
9:25 - 10:25	R2	W6
10:30 - 11:30	R3	W7
11:35 - 12:05	**Lunch**	
12:10 - 1:10	R4	N/A
Guidance	• Every class period **must include a minimum of 20 minutes of direct instruction.** • Independent work time **may not exceed 40 minutes** per class and is permitted at the teacher's discretion. • Teachers are required to **remain online and available for the full 60-minute** class period to support students and respond to questions. • Students must **submit all required assignments by 11:59 p.m.**
