

Camp Registration Step-by-Step Guide: Summerside Camps

This guide will walk you through how to create an account in our registration system and register for camp. If registration is not yet open, you will be unable to complete steps 5-8.

*We recommend that you log in **prior** to registering to confirm you have access and update your household information. This will allow for a smoother registration process. **If you have never signed up for Summerside Camps or ACE, you will need to create a new account. If you do not remember your login information, please reach out to us FIRST rather than creating a new account.***

At Summerside Day Camp, we take full advantage of SCH Academy's 62-acre campus—indoors and out!
