Students will keep track of their courses they choose to take. Ms. Walker will keep a copy of these choices to ensure they are staying on track with the DE Requirements.

If you are "undecided" for your major, students will need to substitute "Electives" with "General Education" courses (i.e. Math progressions) DSC Electives will be chosen by the MCI student with the help of their DSC Academic Advisor to tailor their schedules to their individual college and career goals.

⚠️ If the student has not earned the required PERT Reading and Writing Scores by December of their Freshman year, they will be removed from the MCI Program. They are welcome to continue dual enrollment on their own with the help of their guidance counselor.

**THIS IS AN EXAMPLE PROGRESSION-WE CAN TAILOR THE COURSES TO FIT THE INDIVIDUAL STUDENT...COMMUNICATION IS KEY!!!**
