🎯 Crush the ASVAB! Your Guide to Boosting Your AFQT Score

What's the AFQT, Anyway?

The AFQT (Armed Forces Qualification Test) is part of the ASVAB and decides if you're eligible to enlist. It's based on 4 sections:

- Word Knowledge (WK) – Know your vocab!
- Paragraph Comprehension (PC) – Read it, understand it.
- Arithmetic Reasoning (AR) – Solve word problems.
- Mathematics Knowledge (MK) – Algebra + geometry = success.

🧮 How's It Scored?

The AFQT score is a percentile (1–99) that compares your performance to others. It's calculated using this formula:

- Word Knowledge (WK) and Paragraph Comprehension (PC) scores are combined into a Verbal Expression (VE) score.
- Then Verbal Expression (VE), Arithmetic Reasoning (AR), and Mathematics Knowledge (MK) are combined with the combo above to give a total percentage.

This total is converted into a percentile score. For example, a score of 65 means you scored better than 65% of test-takers.

🔥 Top Tips to Boost Your Score

- Learn new words with flashcards or vocab apps.
- Practice reading short passages and answering questions.
- Review math basics—fractions, algebra, geometry.
- Take timed practice tests to build confidence.
- Use legit study guides and apps (see below!).

💡 **Free Study Tools You'll Actually Use**

ASVAB Practice Tests – Free Online Study Guide

These sites offer a full breakdown of ASVAB topics, practice questions, and tips to help you build a strong study plan.

💡 Free Study Tools You'll Actually Use

✅ ASVAB Practice Tests – Online Study Guide

Practice questions + study tips.
