

The **Family and Community Engagement Program (FCE)** fosters strong partnerships between parents, schools, and the broader community by implementing a wide range of district- and network-wide strategies. These include key programs and initiatives such as the Family Engagement Leadership Team (FELT), Site-Based Decision Making (SBDM) support, District Parent Advisory Council (DPAC), parent organization support, Family Resources On The Go (FROG Bus), Parent Portal, Uniform Assistance Program, the Elevated Engagement Podcast and Newsletter, and departmental marketing and social media. FCE coordinators also organize and support major events and activities, including Fam Jams, Family Nights, Academic Partnering Workshops, and gather parent feedback.
