Online & Lift Lab Courses

Chandler Online Academy (COA) ❖ Students may take online courses during the school day through Chandler Online Academy (COA) to supplement course offerings ❖ Students may not be on campus during COA course time ❖ COA course offerings are found in the HS Course Catalog	
Lift Lab ❖ On-level courses in English, Social Studies, Science & Math available ❖ Very limited elective courses are offered ❖ Lift Lab courses used for students that have an F on a previously taken course; this is free ❖ Lift Lab can also be used for grade replacement but costs \$80 per class (semester) ❖ Students are typically assigned a Lift Lab class period in their school day so they do not need to leave campus	

REMINDER- Please keep in mind that:

- ❖ Selecting your course requests does not guarantee that these courses will be added to your schedule.
- ❖ Course Registration time at ACPHS runs December to April. During the preliminary stages of planning for the new year master schedule, so courses are subject to change.
- ❖ Choose 3-4 alternate courses (CTE, Fine Arts and other electives mainly) in case courses are full or there are not enough students for the class to make. If there are not alternates, you will be placed in a course without contact.
- ❖ Talk with your counselor or an administrator if you have questions about your options.
